Dear Betty,

Will we have finally made it. It was a long hard struggle but you came out on top.

Betty, we have had our likes and dislikes, but we have always retained our friends. I know I have missed you over the years, without you I'm not the same, but I have never stopped loving you for all I have ever had to trust you.

I have really enjoyed knowing you for seven years. I hope we continue our friendship through the years to come.

Stay as quiet as you are now and you will have some fine ones by being his wife.

## Foreword

In the eight years that Madison High School has existed, its FAMILY TREE has grown in many ways. Each year new branches are added in its curriculum, its sports, its classes, its faculty, its clubs, its organizations, and its social life. We, the staff of THE 1961 RAM, hope to bring out the importance of each branch on the FAMILY TREE and the success that Madison High School has had this year.

## Dedication

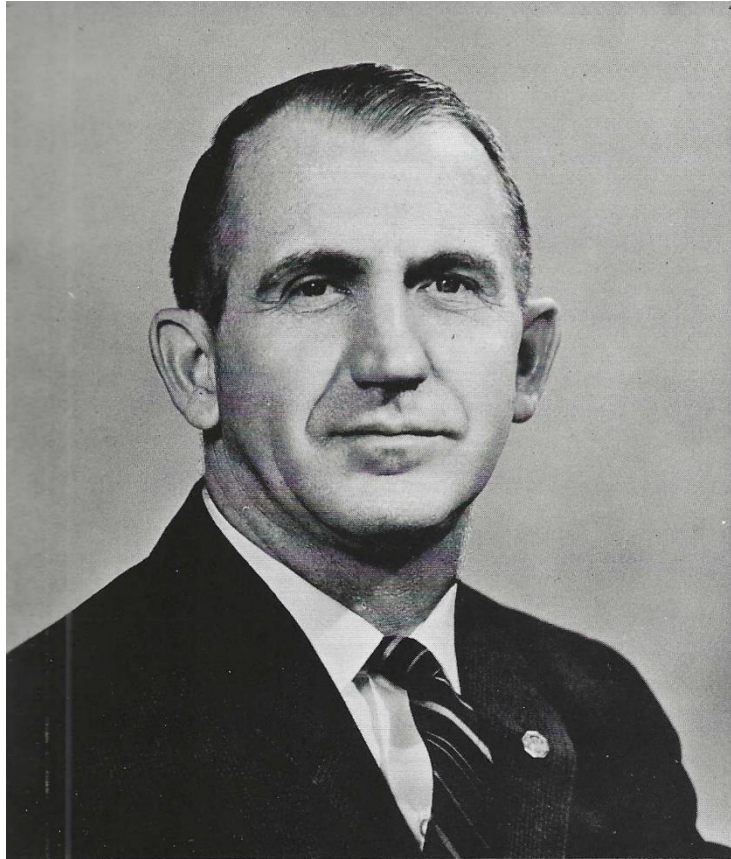

Mrs. Pollard is living proof of the statement, "If you want a job well done, get a busy person to do it." She is a vital member of such groups as the faculty council, the guidance committee, the bulletin board committee, and is a teacher of Sociology. In addition to all these duties, Mrs. Pollard devotes much of her time to the sponsorship of the annual. In the eyes of the staff, she is indispensable. Her patience, her perseverance are foremost factors in the success of the annual.

The annual staff on behalf of all those who have contributed toward the annual and those who eagerly await its arrival this year, wish to express their grateful appreciation to Mrs. Pollard by dedicating the 1960-1961 Ram to her.

*Mrs. Pollard*

M any the times we have seen her  
R eading, editing, organizing.  
S triving as annual sponsor,

P atiently she is revising.  
O nly the best comes from her staff,  
L et every member declare,  
L ed to do their best on her behalf,  
A ward she does more than her share.  
R eal devotion and every fine quality  
D eserve this . . . the dedication of *The Family Tree*.

## Faculty

Our teachers form a principal part of our *Family Tree* since a perennial plant ripens from sturdy roots. In our educating process, they strengthen the trunk and build the branches by their steadfast purpose to battle ignorance, greed, and prejudice.

## ORGANIZATIONS

The Bulletin Board Committee, Madison High School's answer to Madison Avenue advertising agencies, seeks not only to provide attractive bulletin boards for the halls, but also to make students aware of such factors as personal qualities making for success, the high school curriculum, and the work of talented students in the school.

This committee embodies the true spirit of Madison High School—students and teachers working together for the betterment of the school.

# The Student Council

*WE WORK TOWARD WORKING TOGETHER*

The *Student Council* of Madison High School is a very active organization. The Council, with the combined efforts of the faculty and students, works toward the improvement of all situations that normally exist within a high school. Their special project has been to make each student aware of personal integrity and responsibility not only to himself but to his family, school, and community. The HONOR CODE, compiled by the students themselves, has been an effort to make the students aware of those qualities that make for honest citizens. The Code is as follows:

Honesty is truthfulness. It is the keystone to good character and firm principles. It forms the basis of a well-lived life and gives satisfaction to the person who respects its merit. Each person must decide for himself whether or not to accept the standards of honesty, general conduct, and attitude represented by the following statements:

- I. Honesty—Honesty should be practiced in all situations and under all circumstances; in the classroom, in speech, and in dealings with others.
- II. Conduct and Appearance—Each student should strive to conduct himself in a manner which indicates a good character and regards the safety and convenience of others. The dress of each student should be appropriate and in good taste at all times.
- III. Respect and Courtesy—Respect and courtesy should be common ties between student and teacher and among the students themselves.
- IV. Responsibility—Each student, upon entering Madison High School, must realize his own responsibility to uphold the policies of his school. With each ensuing year, he must accept increased responsibility, and work toward progress and improvement in his school. Whether or not he engages in outside activities, he must remember that his education comes first and that he should endeavor to become fully prepared for his future life.
- V. Sportsmanship and School Spirit—Whether in defeat or in victory, together we must represent our school in a complimentary manner, and in all undertakings seek to maintain our standards of fine sportsmanship and outstanding school spirit.

The Council sponsors many worthwhile activities for our school. It is responsible for setting up club membership requirements and for chartering all clubs. The assembly programs are also planned by the Council with the aim to educate as well as entertain.

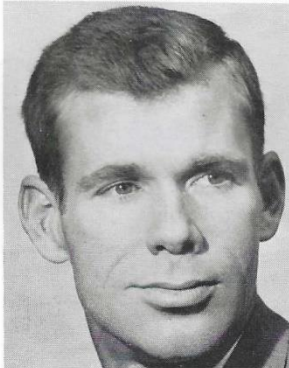

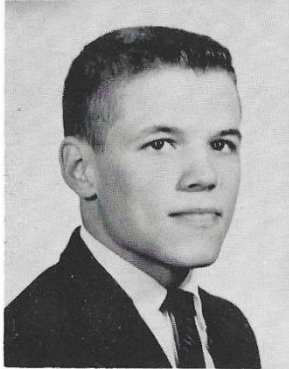

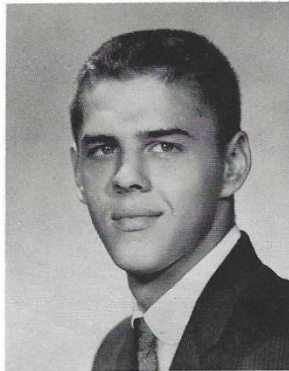

It has been the aim of the Council to promote a deeper appreciation of Madison High School and its high standards and fine ideals.

## N. H. S. Rewards Achievements

To be chosen as a member of the National Honor Society is one of the highest honors a student may receive. The basic requirements of the Honor Society are character, service, leadership, and scholarship. A student must excel in all of these to become a member.

The Madison Chapter of the National Honor Society works as a group to back high standards of scholarship and honesty. It has particularly encouraged an appreciation for the Madison High Honor Code this year.

## N. F. L. Trains Leaders

The National Forensic League of Madison High School is the fastest growing chapter in the state and has been so for the past four years. Our chapter was represented in the state finals last year. We have placed first in county competition for the last two years and are well on the way to winning for 1961.

Membership in our chapter is based on scholarship, leadership, good character, and forensic ability. The purpose is not to confer membership on all who have taken some part in forensic work, but to honor with membership those who have demonstrated ability and perseverance. It sets a standard of achievement, welcoming to membership those who reach that standard and encouraging others to reach it.

The emblem of our organization is shaped like a key, symbolizing the unlocking and feeling of the powers of expression and personality. Our colors of red, white, and blue are very meaningful: red, a symbol of the courage it takes to be a leader and to uphold the things that are right and just; white, a symbol of truth; blue, a symbol of the loyalty which the members owe to their home, school, and their chapter.

During this school year, three of our members will receive Special Recognition for attaining at least 500 forensic points. This is the highest honor an NFL member can achieve. Ann-Ellen Pigue and Linda Jo Castelow rank in the top 100 forensic students in the Nation, and Elaine Coleman will reach this group before the year ends.

# LIBRARY LASSIES

In addition to sponsoring a full and active library program in the school, the Library Lassies participate in the Middle Tennessee Association of Student Library Assistants. The Lassies have been influential in developing better library programs for the organization. Among these are the associations' pin awarded for the first time in 1960, an annual Newsletter and a scrap book contest to present the library program of each school. At the annual conference in the spring a revolving trophy is presented the school with the best program as pictured through the scrapbook.

Anne Williams, president, edited the first Newsletter which was distributed to all member schools. It was developed as a Library Lassie project with each member participating under Anne's direction. Cheryl Boyd edited the first scrapbook which won in the competition and the Lassies are the first group to win the trophy in recognition of their school library program.

On March 2 the annual Induction Service was held for 20 new members with Mr. Charles Brown of the Davidson County Board of Education as the guest speaker. Printed invitations were mailed to 100 guests. Fifteen experienced workers received their membership cards and four Lassies received their Middle Tennessee Association of Student Library Assistant's pins.

To earn a pin each Lassie must: work in the library at least two years, attend three-fourths of the regular weekly meetings, participate in four club projects, and have a complete understanding of the constitution. Seven Lassies have earned pins.

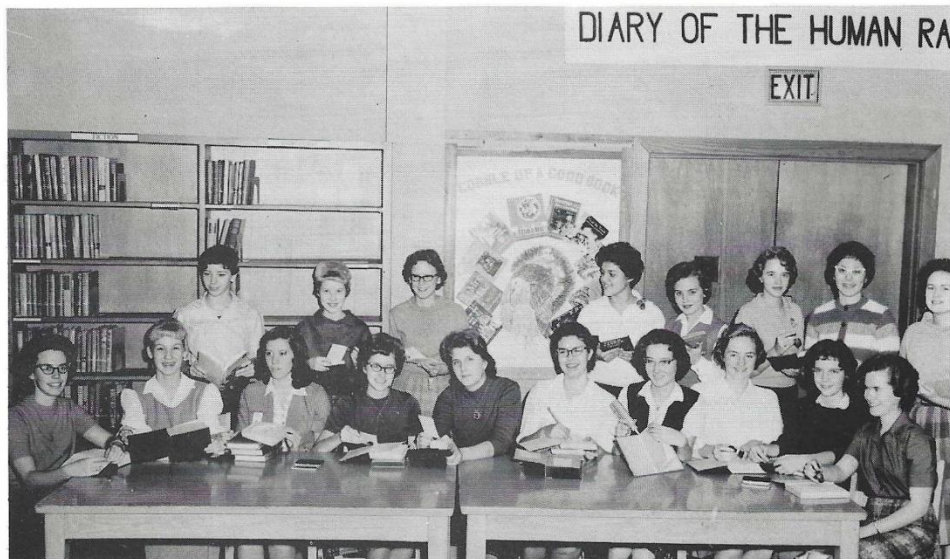

Admiring the trophy awarded for the best library program in Middle Tennessee by the Middle Tennessee Association of Student Library Assistants are: *Seated*, Peggy Hill, historian; Virginia Armstrong, secretary; Anne Williams, president; Susan Smedley, vice-president. *Standing*: Barbara Owens, Ruth Clark, Sharon Sutton, Cheryl Boyd. *Not pictured*, Rosemary McDaniel.

## THE RAM-PAGE

### A MIRROR OF SCHOOL LIFE

As a mirror reflects images, the *Ram-Page* reflects student activities at Madison High School. Featuring all phases of pupil participation, the *Ram-Page* depicts the life and times of a school and its scholars.

Truly a branch of the Tree of Knowledge, a school newspaper is the voice of the student body, propogating creativity and self-expression.

The *Ram-Page* proudly accepts its position of belonging to the Madison High School family of student endeavors.

## The Senior Band

The Senior Band is the largest musical organization at Madison High. They march at the half time of every football game and march annually in the Fire Prevention and Christmas Parade in Nashville as well as the Hillbilly Day Parade. Each year the Senior Band participates in three festivals—Marching Festival, Solo and Ensemble Festival, and Concert and Sightreading Festival. They also give at least two annual concerts—the Christmas P. T. A. Program and the “Music Under the Stars.”

## Football

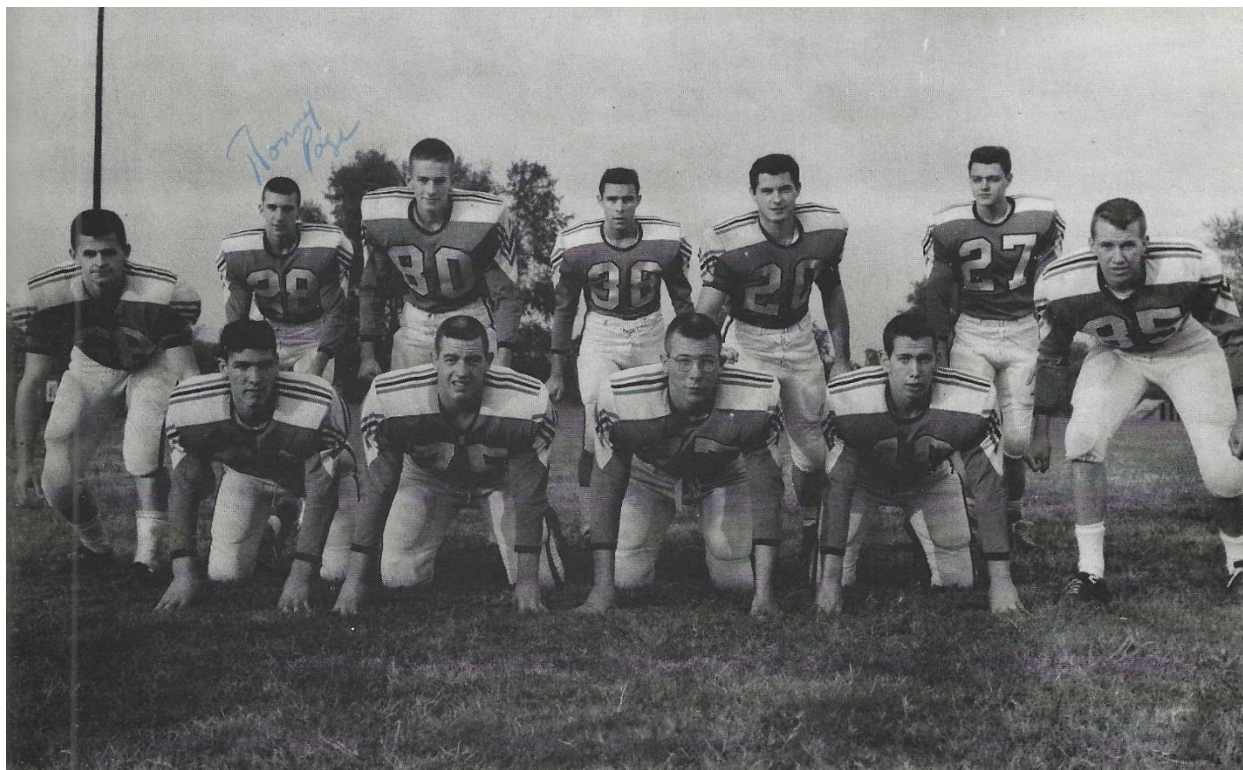

The 1960 Madison Rams brought recognition and honor to Madison High School. These Rams finished the season with the highest state ranking of any previous Madison team. They were the N. I. L. Class AAA Champions and winners of the 1960 Crockett Bowl. Only two teams crossed their goal line, and they set an all-time N. I. L. defense record of nine shutouts in one season. Their only loss was to the number one team in the state. A Madison High salute to an outstanding football team.

In the season's opener, the Rams slipped past a surprisingly strong Goodlettsville team 6 to 0. The Madison defense, led by Ronnie Sanders and Bill Cartwright, stalled the Trojans all night. Sanders recovered a Goodlettsville fumble late in the fourth quarter, and Johnny Jenkins scored the winning touchdown.

WIN EVERYTHING BUT SCORE

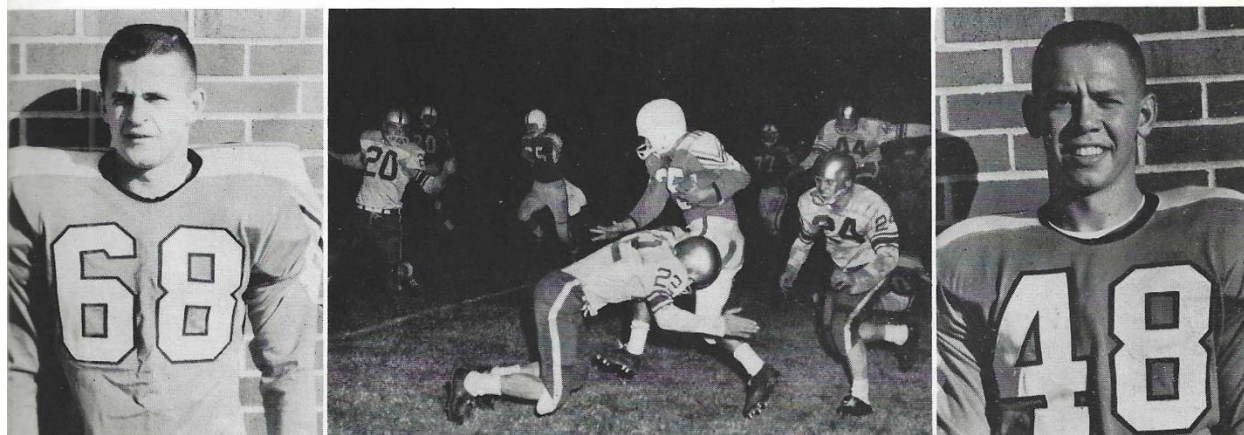

In Madison's first encounter with a Big Four foe, the Rams made a brilliant showing against the number one team in the state. Captain Chuck Lewis was the outstanding back on the field, and defensive specialist, Ronnie Page, played a flawless game. This was the only loss suffered by the Rams during the entire season.

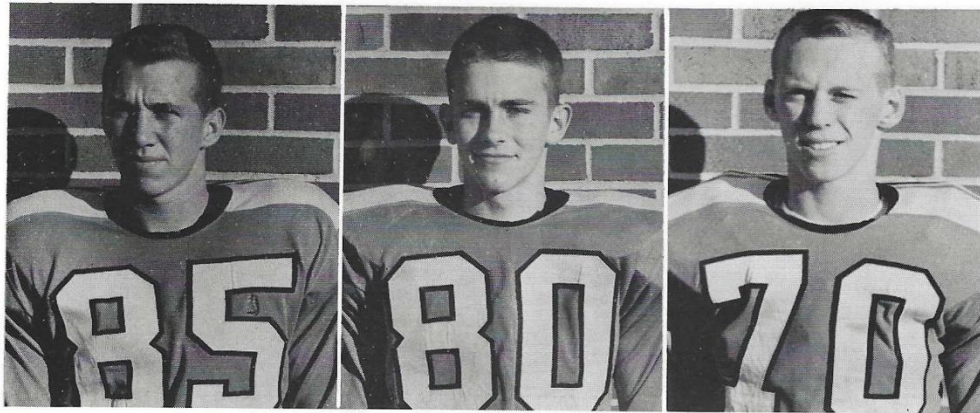

RAMS RAMBLE

The Rams rolled over Donelson 41 to 0 in the fourth game of the season. It was a great team victory with many standouts, too numerous to mention. The Madison defense proved too tough for the Dons, and the Rams had little trouble crossing the Donelson goal.

#### WHO IS THE BIG FOUR?

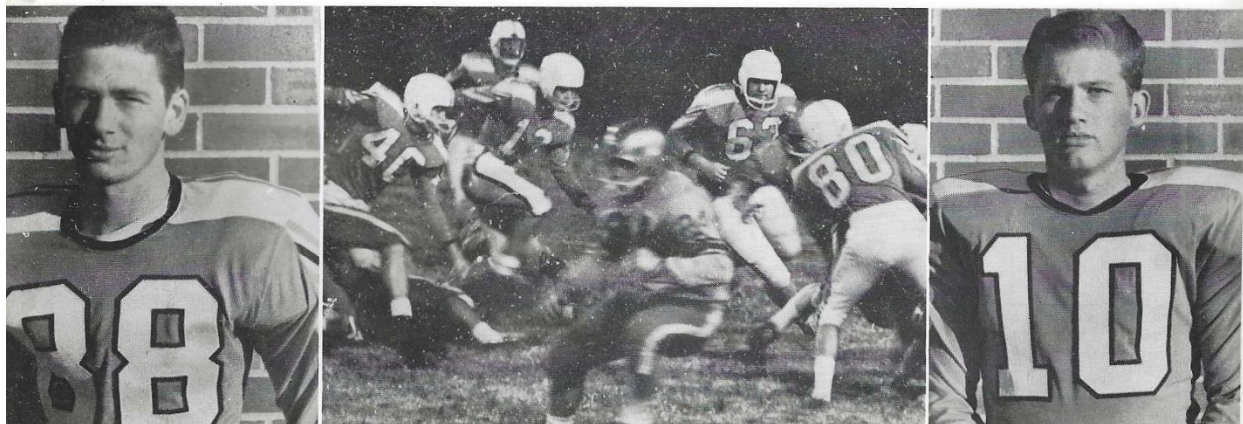

The M. B. A. Maroons became the first AAAA team to play on the Ram field in the history of the school. They were also the first AAAA team to lose to the Rams. Junior halfback, Randy Overall, ran over, around, and through the M. B. A. defense to score two touchdowns and become the class AAA "Player of the Week". Harold Johnson, Billy Williams, and Billy Ashworth led the line play.

#### BIG HOMECOMING CELEBRATION

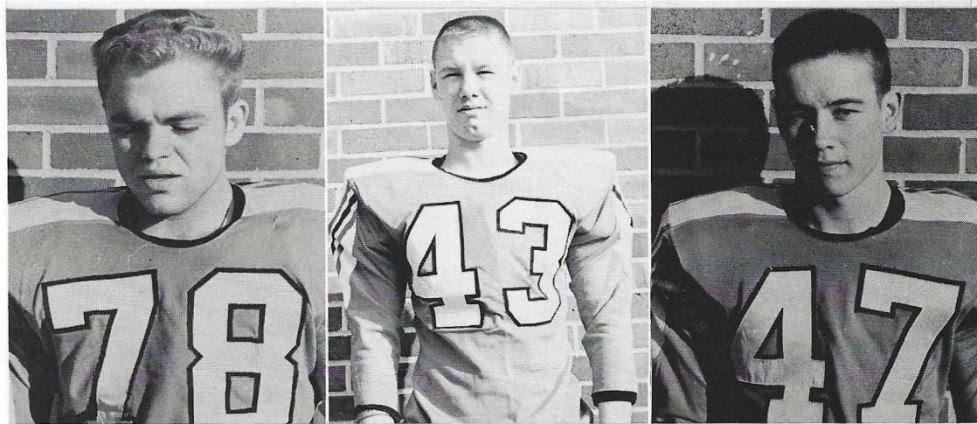

The Rams celebrated "Homecoming" in typical Madison style with a 20 to 7 win over Franklin. Quarterback, Johnny Jenkins took to the air and threw two touchdown passes and scored another. His brilliant play helped him to become Madison's second AAA "Player of the Week" in a row. Jenkin's favorite target was end Dan Blair. Blair, Tank Miller, and Bill Harrison sparkled on defense.

START SLOW, FINISH STRONG

The late starting Rams kept their Class AAA record unblemished by whipping a fired-up West team 28 to 0. Gary Fambrough chalked up the first T. D. late in the second quarter. Madison broke the game wide open in the second half. Backs, Johnny Jenkins and Chuck Lewis, and linemen, Bill Cartwright and Billy Hutton, led the Rams to victory number six.

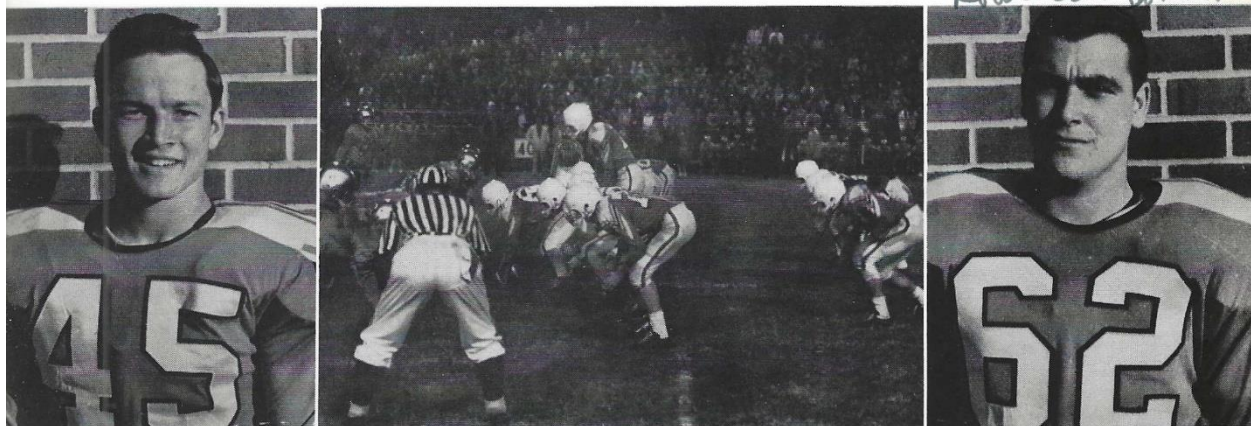

RAMS STOMP DOGS

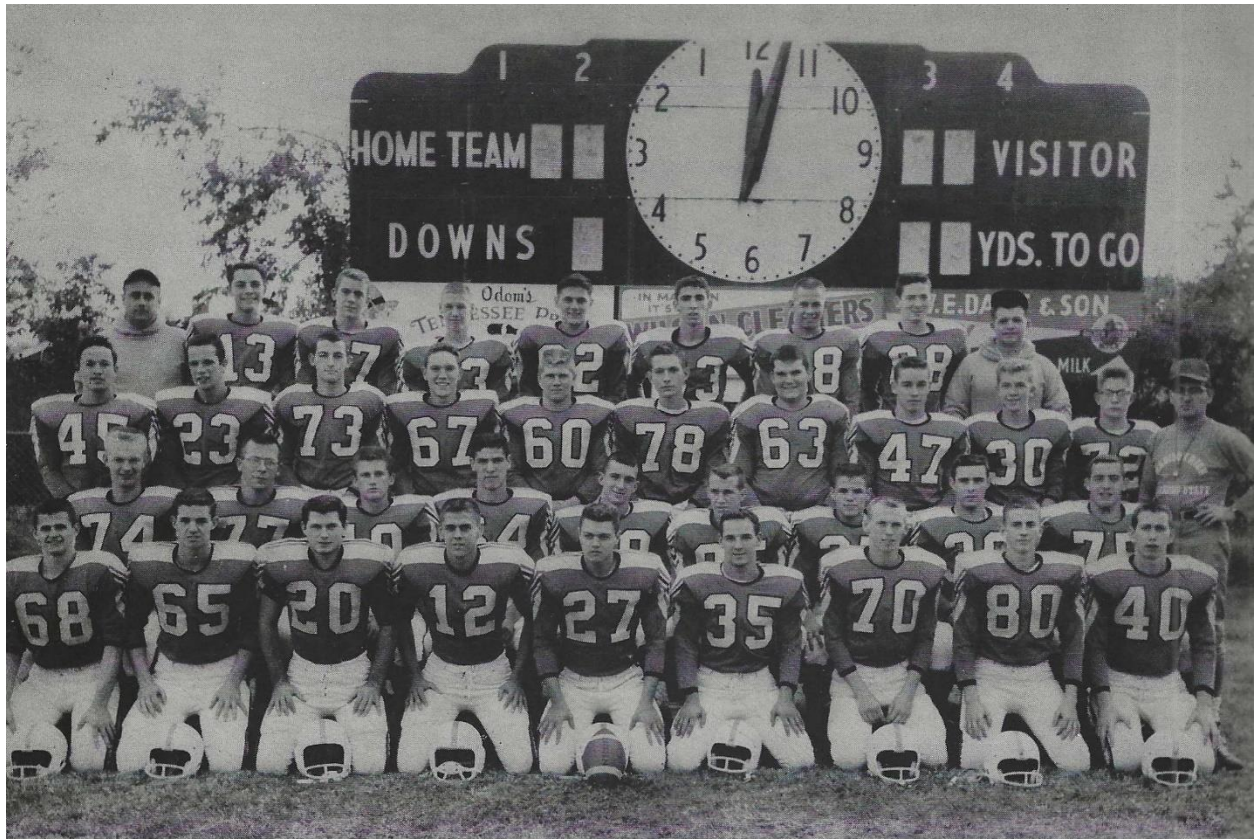

Led by Senior Gary Fambrough, the Rams scored every time they had the ball and gained victory number seven in a neighborhood clash with Dupont. Gary averaged fifteen yards a carry and personally wrecked Dupont's hopes for an upset. Terry Moore and Alan Pope played brilliant defense for the mighty Rams.

#### MADISON TAKES TITLE

Madison made their final game of Class AAA competition a memorial occasion. In a hard fought battle, Madison brought home victory number eight and the Class AAA championship. Terry Gambrell put on a tremendous offensive show by gaining 110 yards in sixteen carries and scoring Madison's first touchdown. The "Rodent" became the fourth Madison back to be chosen "Player of the Week."

#### DEFENSIVE SPECIALISTS

Madison closed the regular season with an exciting win over the Clarksville Wildcats. With only five seconds left, Gary Fambrough crashed over from the five-yard line, after the Rams had moved 73 yards in three minutes. Ronnie Sanders, Billy Williams, Alan Pope, and Bill Harrison were outstanding throughout the game. It was a great game and one of the most exciting ever played on our field.

#### CHUCK LEWIS

All-AA 2 years  
All-AAA 1 year  
All City 2 years  
All State 3rd Team  
All-American Honorable Mention

We salute Chuck Lewis for four years of service to Madison. Chuck's gridiron skill has made for him a place among the ranks of outstanding NIL Players. An inspiration to team and school, Chuck, through brilliant play, both offensive and defensive, has made the record given here. As a result, he has been awarded a scholarship to Tennessee Polytechnic Institute.

After finishing the season with the highest ranking and the best defensive record in the history of Madison, the Rams took a post-season trip to Lawrenceburg and blasted Dickson 35 to 0 in the Crockett Bowl. Chuck Lewis, Junior Bill Harrison, and the entire defensive unit played a good game. Dickson became the ninth team to fail to cross the Madison goal. Only one touchdown was scored against them in league play. A new NIL record was set through this achievement.

## Boys Varsity Basketball

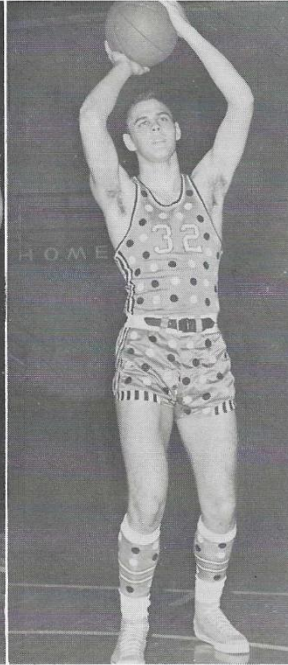

After a great football season, the Rams brought their winning ways from the gridiron to the hardwood. Once again under the direction of Coach Brimm, Madison emerges as one of the top teams in the state. As the leading team in the 19th District, they were the first in the history of the school to play in the annual *March of Dimes* game at Vanderbilt gymnasium. The Rams finished the season with the best record of any previous Madison team. They brought home the first N. I. L. Championship, finished third in the 19th District, second in Region V, and went to the quarter-finals in the State Tournament.
