WE PAUSE TO REMEMBER:

A year that was,
a year in our lives
and in the life of our
Alma Mater;
a year that has become
a part of history,
a year made to come to
life in these pages.

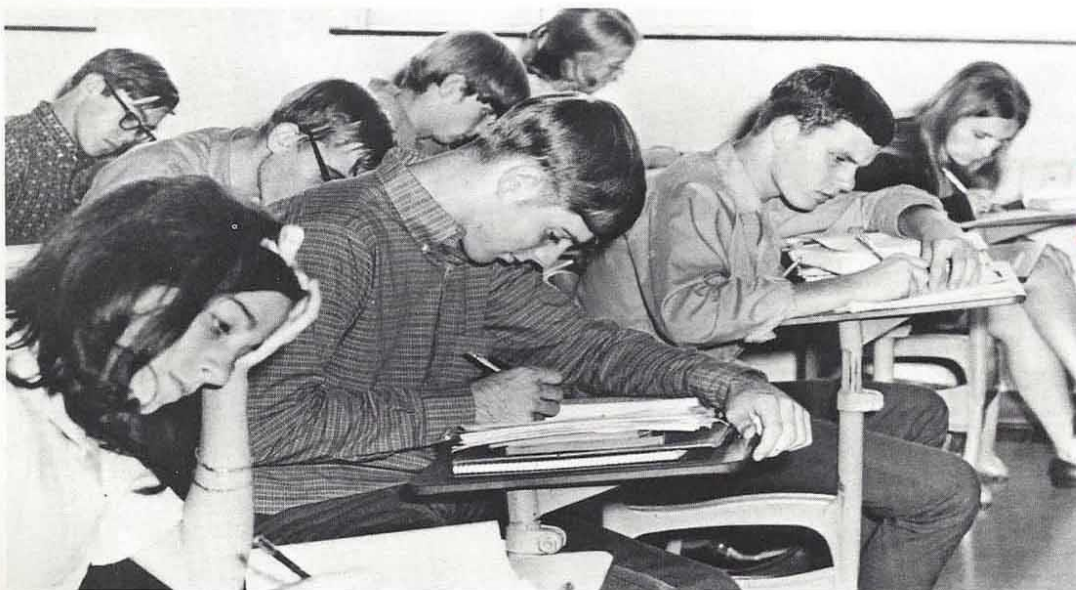

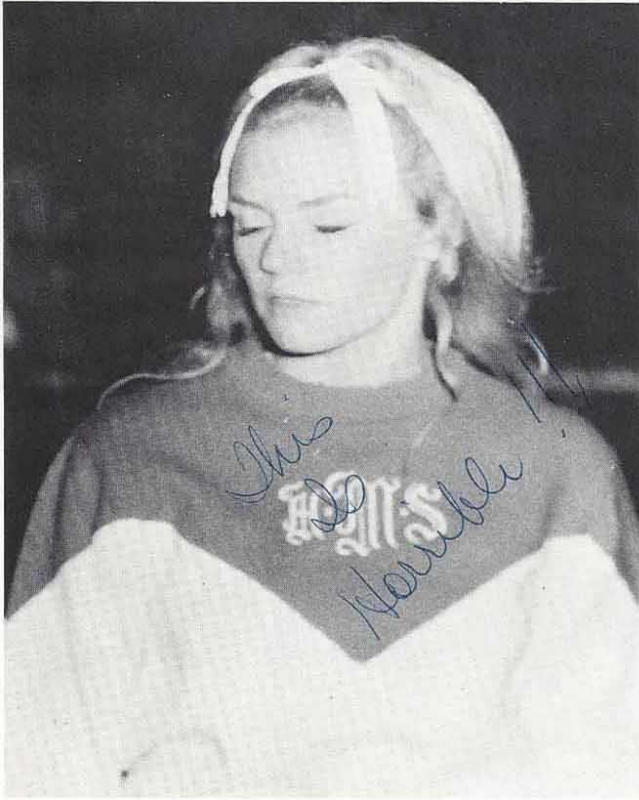

WE PAUSE TO REMEMBER:

the crowds,
the classes,
the cafeteria,
the commotion . . .

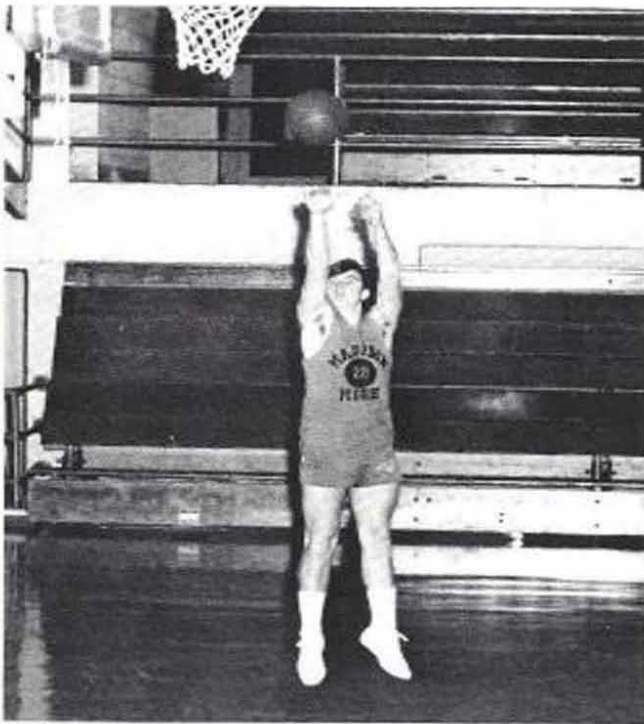

the thrill of triumph,
the disappointment of defeat,
the moments of meditation,
the feeling of achievement . . .

study,
stupidity,
work . . .

8

The excitement of a
pep meeting,
the silent halls at
six-thirty,
those last few minutes . . .

you're
at M.H.S.

Madison High School, Madison, TN 1970 Yearbook

What could all those Hillbillies be staring at? Dancing girls?!? or NAT!

Stop the applause. I can't turn the volume up!

Left right, left right—no Paul — left right, left right.

Why would you say I need a long vacation?

Studying in the air-conditioned library was fun!

I look like a frog!!

Come on sweetie, if you don't eat your Ram flakes, you won't grow up to be a Mighty Ram!

Weren't those pop meetings electrifying?!

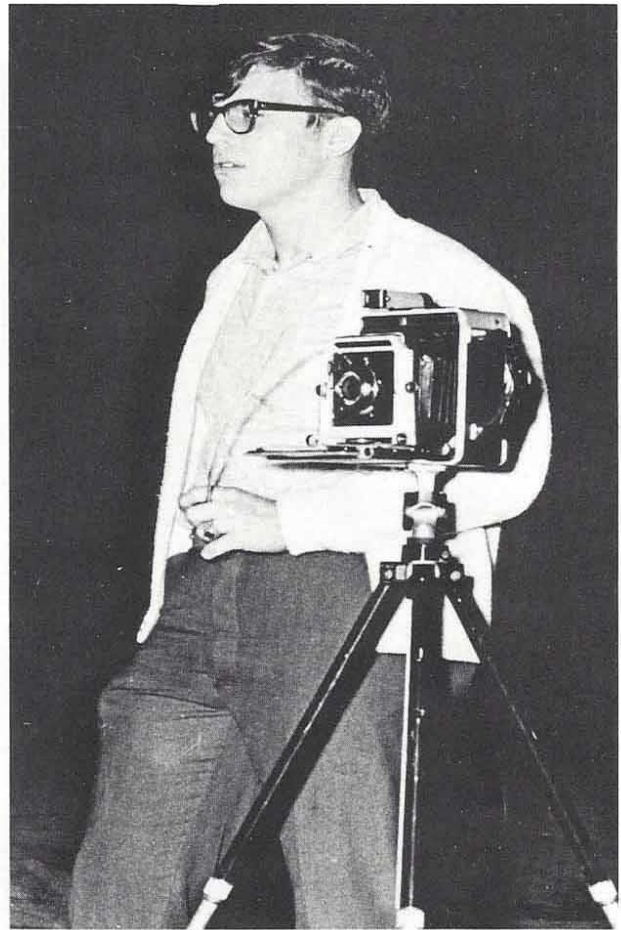

This Is Madison

-1969-70

Thanks Joel!

Joel Crowell, Ram photographer, has focused on many important school events and personalities since coming to Madison High School as a seventh grader. During ball games, pep meetings, and assemblies, Joel has been on the scene, snapping those pictures that give so much vitality and action to school publications. But it is the other times—times when Joel has developed and printed these shots alone, after school or over vacation—that we wish to thank him for. His unassuming, quiet manner and his reassuring reliability are qualities that will always make us remember Joel Crowell.

SENIORS – CLASS OF '70

For the Senior, the curtain is slowly closing and bringing with it an end to the four-year drama, which has been a necessary part of his life.

The hours of work on the newspaper or the annual, that last-minute touchdown, and final exams are now treasured memories.

After four years of working and being together, the Seniors find themselves suddenly on the brink of entrance into the world. Graduation becomes a vivid reality.

PEGGY MURFF
RICKY CHRISTIAN

If anything happened around Madison High, you could bet that Peggy Murff and Ricky Christian were in on it. These two were elected "Most Mischievous." Peggy enjoyed swimming and horseback riding. She was a member of the F.B.L.A. After graduation Peggy plans to join the Army and become a physical therapist.

Ricky was interested in many sports such as football and basketball. He was on the teams at school for many of his years at Madison. He was also Vice-President of the Civitan Club, the F.C.A., and a member of the Student Council. Next fall Ricky plans to attend Austin Peay.

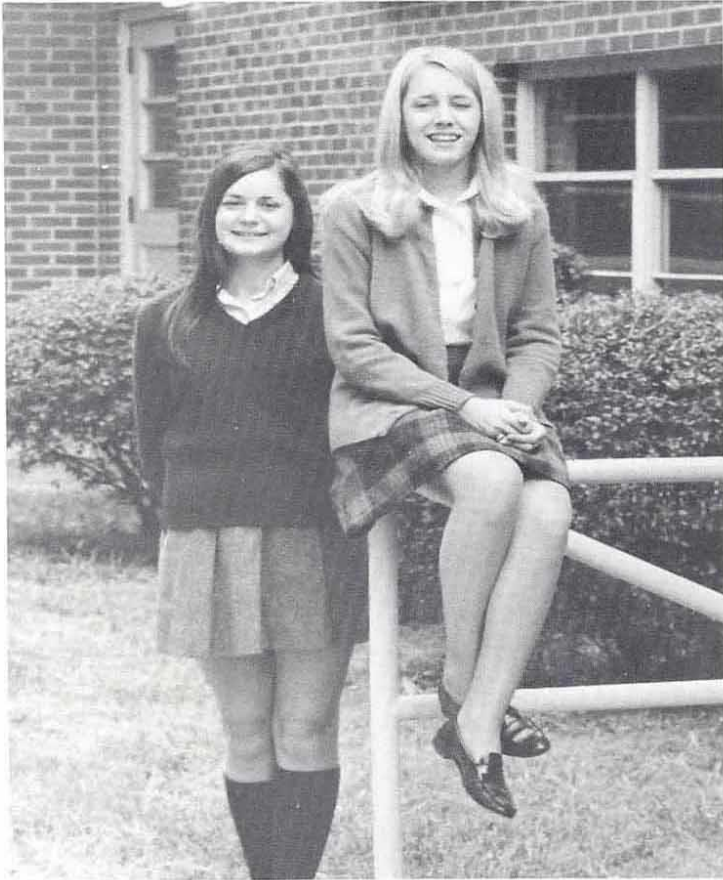

MOST COURTEOUS

KAY SANFORD
LANNY BIRDSONG

Kay Sanford and Lanny Birdsong's courtesy and continuous consideration of the feelings of others made them the likely choice for "Most Courteous." In Kay's spare time, she enjoyed sports and reading. She was this year's Homecoming Queen, president of the Quill and Scroll, Girl's State Representative, and a member of the Student Council. Kay was also co-editor

of the Rampage and Sports Editor of the RAM. She plans to attend MTSU and become a teacher.

Lanny enjoyed sports, science, and music. He was a letterman in football and baseball. He served as Vice-President of the senior class. After graduating, Lanny plans to attend the University of Tennessee.

RAM STAFF—1969

Work on the '69-'70 RAM began in the summer when the layouts were planned and drawn. The staff and sponsors never stopped working. Despite all the problems and worries, the last deadline was met. All those who were involved with the RAM sat back and waited and hoped that the students, faculty, and friends would pause to remember not only the unhappy times, but the happy ones when everyone had so much fun.

Feature Editor – Pat Busby, Assistant Editor – Carla Hicks, Class Editor – Karen Tugwell, and Sports Editor – Kay Sanford look over annual plans with sponsor, Mrs. Joy Wilson. Not pictured – Joan Allison – Club Editor.

The business matters of the annual were handled expertly by Sales Manager – Becky Crump, Sales Manager – Pam Franklin, Business Manager – Elaine Fox, Asst. Business Manager – Gary Neeley, and Sponsor – Mrs. Elisabeth Pollard.

Bowl Win Climaxes Victorious Season

Under the leadership of new head coach, Cliff Goodman, the 1969-70 RAMS enjoyed their fastest start in six years.

The Big Orange squad ended their girdiron season with an overall record of 9-2-0 and a trip to the Civic Bowl in Tullahoma.

MHS was opposed by rugged Chattanooga Central in the bowl. Tremendous team effort was shown by the TAMS as they reigned victorious by a final score of 7-6.

Determination, hard work, and overall team performance enabled the '69-70 RAMS to taste the victory of another winning season.

Rams '69

Traveling to Lion Country, the Big Orange RAMS tangled with the Litton Lions.

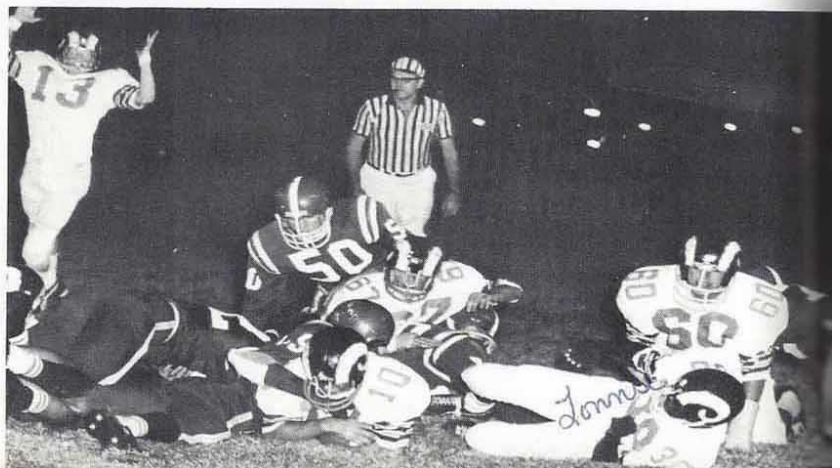

The RAMS chalked up another victory defeating the Lions 14-6.

Mike Santi scored in the first quarter on a two-yard run which climaxed an 84-yard drive of 11 plays in which Lonnie Sadler made runs of 18 and 22 yards.

David Belt sprinted 10 yards for the final touchdown, ending a 57 yard drive.

Tommy Davis' two interceptions destroyed the Litton aerial attack.

Denny McDonald booted both PAT's.

9-2-0

Winning by a score of 26-0 the Big Orange scored the most points ever scored on a Hendersonville team by a NIL squad.

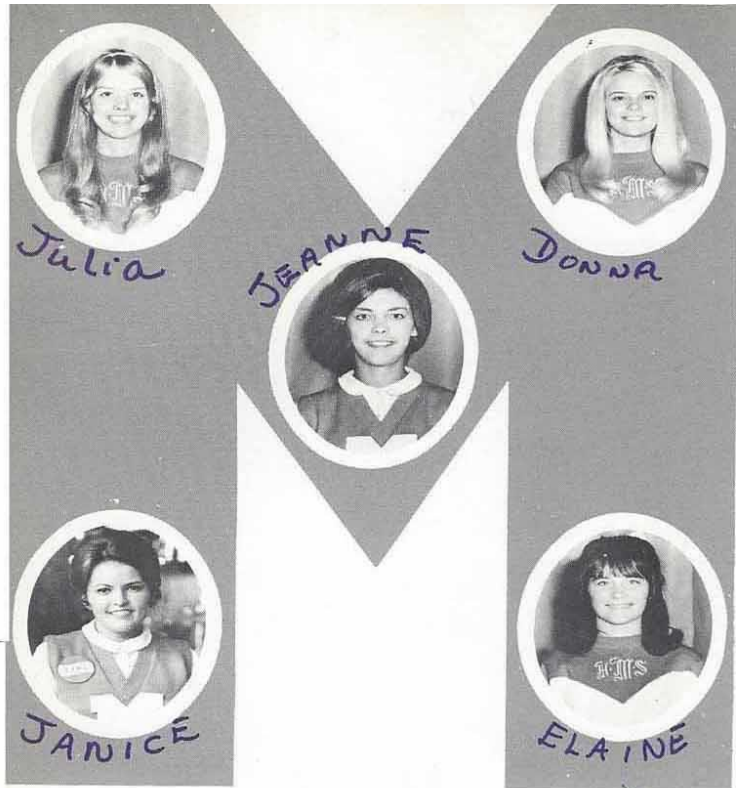

A 92-yard march started by Tommy Davis' interception on the RAM 8-yard line was climaxed when David Belt rolled over from the 1 with 7:25 left in the half.

Mike Santi then intercepted a Commando pass on the Madison 25 yard line and ran it back to the Hendersonville 27.

Six plays later, Lonnie Sadler scored from the 5 yard line.

The RAMS didn't score again until there was 6:45 left in the game. Sadler again rolled in from the 5 yard line after Mike Winchester recovered a fumble on the Hendersonville 23.

The Big Orange scored once more as Santi climaxed a 73-yard drive by going over from the one yard line.

The 1969 Ram Baseball team made N.I.L. history as they captured the Eastern Division Championship Title for the fourth consecutive year.

Our inexperienced Ram batters recorded 61 wins and only 9 losses in four years of seasonal play under the supervision of Coaches Bill Brimm and L. K. Thompson.

Led by senior team members Eddie Carroll and Britt Stewart, Madison became the first in the history of N.I.L. high school baseball to advance to the Regional III Championship four consecutive years.

SADIE HAWKIN'S WEEK

For one week out of the year, the girls at Madison High have a chance to "get their man." Of course, they are required to carry his books, and lunch tray, and do a lot of other unbearable things, but it is all a lot of fun. Judge Richard Roche presided to see that justice was done at Kangaroo Court.

That's what you get for playing hard to get!

Ricky Christian and Patty Oldham solve their romantic problems with a "brawl."

Denny McDonald pays his penalty without argument. Anyway how often does a guy get a chance for a free egg shampoo.

Stephen Paul may be a senior, but love can cause anyone to act like a kid!

The "lawmen" of Kangaroo Court see that right and justice prevail.

ASSEMBLIES

This year Randy Scruggs, Vice-president of the Student Council, provided the student body with some outstanding assemblies. Music, laughter and hilarious antics all played an important part in our assemblies. A world famous concert pianist, former professional football player Bill Wade, and General Earl Graves Pate, Jr., were only a few of our many guest speakers. We also were fortunate to have several exchange assemblies with different schools. These assemblies added to make the year 1969-1970 a very memorable one.

Kay
"7/1" Spear

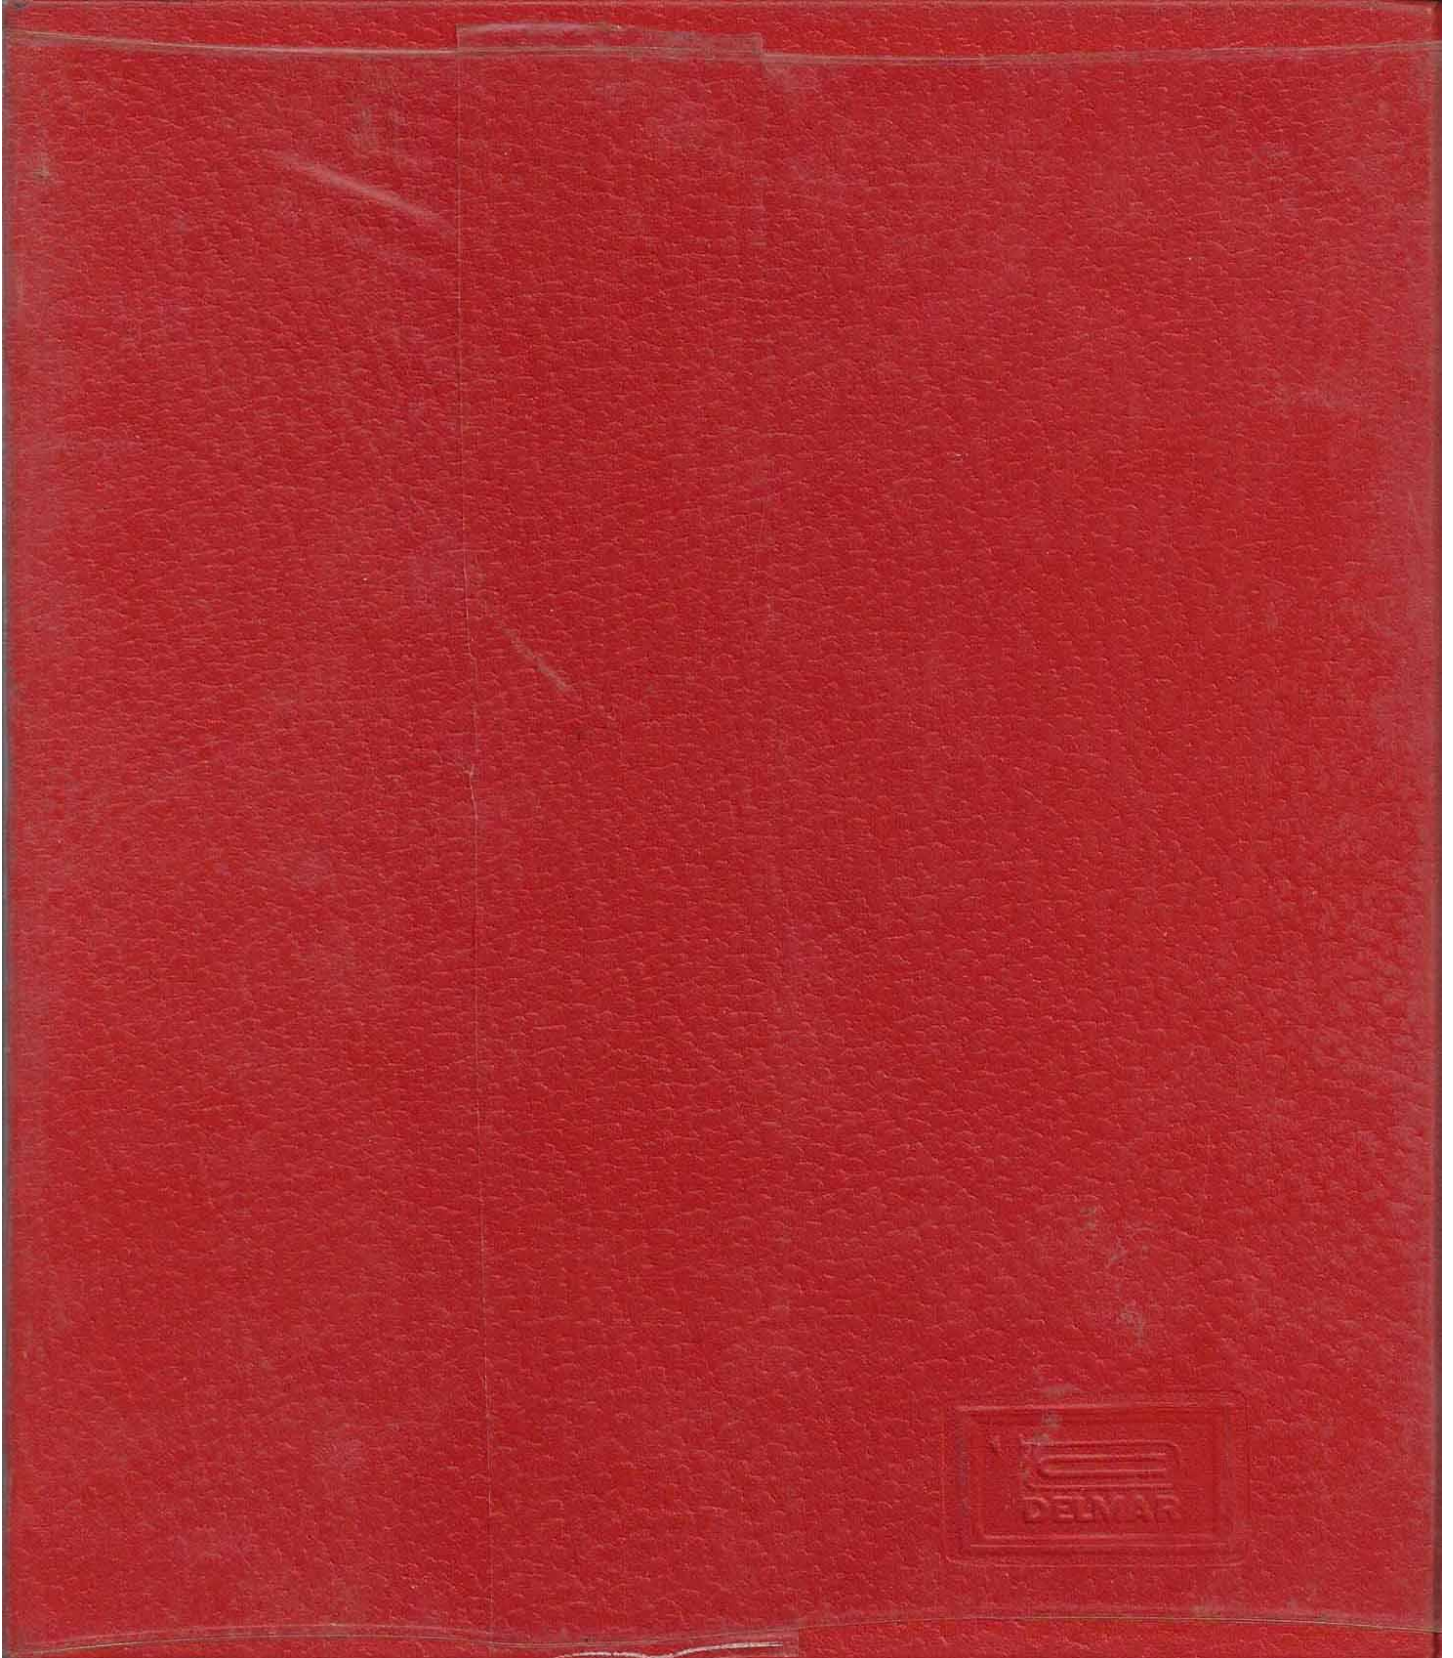

the end of 1970 — a year like no other. Can you ever forget all the things that happened? The first day of school, the excitement of a winning football game, the disappointment of losing, bonfires, Homecoming, pep meetings, assemblies, music concerts, clubs, classes, candy sales, Hillbilly Day, the Christmas party for the orphans, Christmas holidays, the snow, and snow, and still more snow, mid-term exams, forensic trips, Sadie Hawkins Week, evaluation, honor assembly, final exams and finally the moment that two hundred and fifty seniors had been waiting for, graduation.

If we of the annual staff have managed to help you to remember any of these things, we have succeeded in reaching our goal. Thanks go to Karen, Joan, Becky, Pam, Elaine, Pat, Kay, Joel, Phil, and to all their assistants for doing such a great job this year. Extra special thanks go to Mr. and Mrs. McEntire, our company representatives for their help, and an extra special word to Mrs. Wilson for helping in so many ways. I also want to thank Carla for the help she gave.

Yes, this is the end, and still we remember that it must also be the beginning of so much for all of us . . .
