The Student Council of Madison High is made up of elected representatives from each homeroom along with the elected officers. Planning assemblies and school activities are among the many jobs undertaken by the council. Of special interest this year was the Christmas canned food drive, sponsored by Bill Borer. With competitions set up between the three grades, the drive proved to be successful with the total number of cans collected being over sixteen hundred. This food went to those less fortunate in order that they might have a better Christmas.

The Marching Band represented Madison High exceptionally well at the Annual Columbia Invitational Marching Festival. The band returned proudly with first place trophies, a permanent gold trophy, and the Silver Challenge Cup. In competition of the auxiliary units the Flag and Rifle Corps placed third, the Majorettes placed fourth, and the Drum Major placed fourth.

The band was also involved in the MTSBOA Marching Festival in Murfreesboro, along with welcoming Santa Claus, football games, and parades. Although the band was small in size, each member seemed to be proud of his accomplishments in the 1974-75 Marching Band.

This WAS the Spirit of '75

Last year, the '75 cheerleading squad started to work for the coming athletic season. These girls have put in a lot of hard work all summer, plus one week of camp. They have to attend all the games and cheer when no one else feels like cheering. The cheerleaders also have their hands full making signs after school for hours at a time and heading up the pep club, which is sponsored by Miss Charlene Smith. This year has been tough and the student body should applaud these girls for their accomplishments.

The Rams Won the Big One

The Rams started a long season of practice around the first of August, last year. But even though the Rams practiced hard they met a year of defeat. The first game with Gosslettsville broke the Rams' spirit with a score of 53-10. The Franklin game brought some hope in the first half, the score being 6-0, Madison. Then the Rams returned for the second half and were stunned by three touchdowns, making the final score 21-6, Franklin.

The triumph, that brought the Rams up to par, was the homecoming game with Cobb. The Rams were fired up by the pep rally, earlier in the day,

Capt. Wayne Key

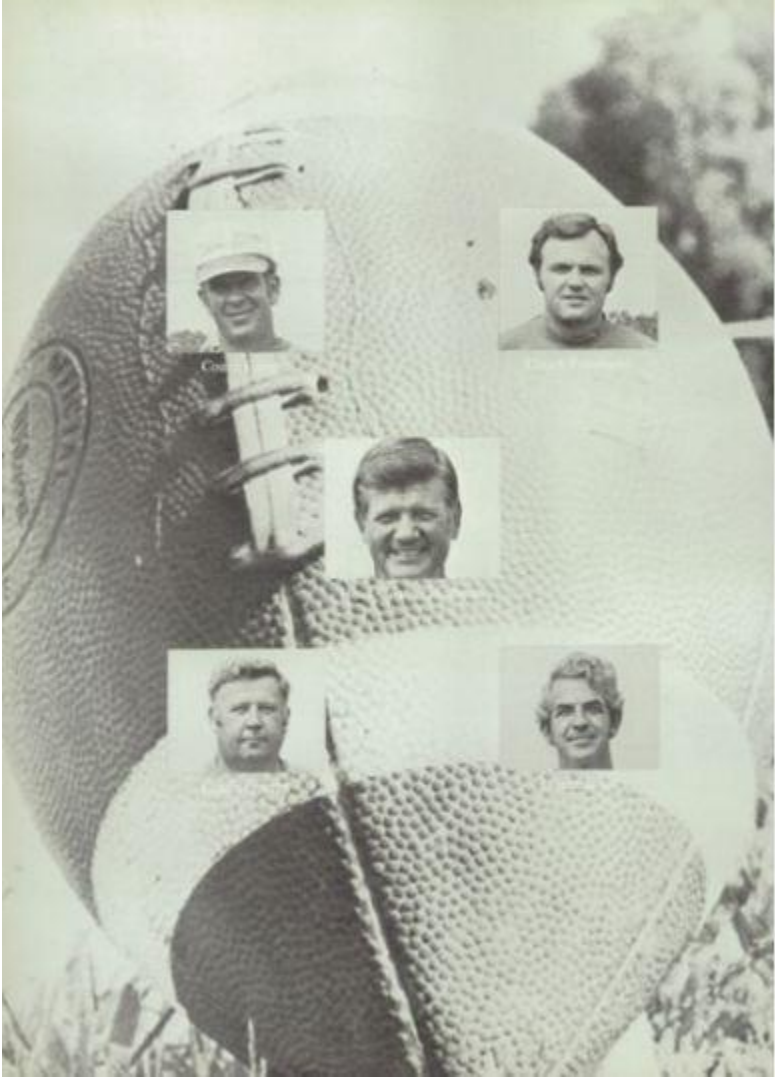

Co-Captain [Redacted]

ready to bring home a win. The scoring started with a safety in the first half. Then the Rams came back after halftime and got a touchdown in the third quarter with Wayne Key sweeping around the right end. At the beginning of the fourth quarter, quarterback Darrell Parlow threw a sixteen-yard pass to Raymond Bradley, making the final score 16-0, Madison.

The rest of the games were pretty rugged for the Rams, but the spirit never died among the fans. There were always good crowds.

"Pretty little made it in a row."

Madison's Only

First of all, the editor wants to congratulate this man, who has given of his free time to help the Madison football team in the medical area.

Dr. Card has helped plenty of men on the football squad. He has ridden in the ambulance and given great assistance to those that were severely injured. This meant longer hours than what any normal person would want to undertake.

It's about time that Madison High, as a whole spoke out and gave Dr. Card a word of thanks for all the devotion he has given.

Dr. W. J. Card

Sincerely,
Robert Bassett
Sports Editor

Hail, Coach Overby.

A Promising Varsity

B-Team football is probably, along with B-Team basketball, the most forgotten of the high school sports. But these people are the unsung heroes who will make up next year's varsity football squad.

The crowds are fairly sparse at these games and a little more enthusiasm could be generated for these men who will try their best to become next year's starting line up.

B-Team had a pretty good year, winning three games and losing just five games. Coaches Forrehand and Boyd did a good job of leading their men to these victories which is a big responsibility as far as preparing for a game.

The Rams had a year of misfortune when Capt. Tim Lanier and Co-capt. Steve Potts were out with injuries, early in the season. Most of the games were lost by a small margin of points, but the Rams won the games against Goodlettsville and Hendersonville.

Jim had a 20.8 points average per game, and the team averaged about 35 points a game. The Rams did well to hold their average this high considering the handicaps in injuries.

There were only two seniors on the team, that is, Steve Potts and Tim Lanier, but the juniors Randy Bennett, Tomie Carter, David Murry, and Donnie Webb, along with sophomores Allen Black, and Darrell Purdue helped make up the backbone of the varsity team.

Ramettes March On to Victory

The '74-'75 Ramettes, under the leadership of Miss Camilla Sparkman, have had another good year winning between 85-90% of their games. The high scorer for the Ramettes was Pam Chambers, who was voted NII, Most Valuable Player last year. Pam averaged about 33 points a game.

Capt. Cindy Hughes led the defensive squad along with Jana Lee, Sylvia Carter, Jamie Evanson, and Jill Izarath. On the offensive are Pam Chambers, Annette Menes, Glenda Allen, and Jana Lee.

Oh, I love the ball!

Baseball Swings a Big Bat

Last year, the '74 Ram baseball team placed third in the twenty-second district with an 8-7 record. The coaching staff sent Gary Lynn, the most valuable player for Madison and the twenty-second, to the district league team where he served as pitcher. Later on in the season Gary received a baseball scholarship to Belmont College. Another player receiving an award was Billy Wasil for the highest hitting average at Madison of .343. Returning as seniors for the '75 team are Mike Hewigies, Jerry Rittenberry, and James Dillard, and as juniors Kent Bilings, Tim White, and David Murray. This year will be a rebuilding time for Madison, because there were a lot of seniors who graduated, but we should also have a good year.

Track Looks Ahead

Again in 1974 Dennis Webb had a good year along with Mark Campbell, who are the only seniors on the track team this year. Mark L. Webb reached the height of 6'2" in 1973, breaking the school record held by Lonnie Sadler. Mark Campbell, who ran the 2-mile run, had a very good year, breaking the school record with a 10:51.8, that led him to run cross country the following year and turning in some very good places in that event.

Another person having a good year in 1974 was David Morgan, a junior, who had a good record in running the mile run. A man showing much determination and effort was junior Mike Brazzelle.

A Girls' First

The Madison girls' track team had a good season considering last year was their first. The strong points were in distance running.

Cindy Hughes placed first at all the meets in the 440 yd. dash. Jane Mays excelled and had an excellent record in the mile and 880-run. Teresa Ramsey helped the team in the field events by throwing the discus.

Cindy 'trucks out' in the 440.

Cross Country Improves

The '74 Cross Country team has improved over the previous year. Out of four meets they defeated two schools, lost to four, and tied one. The course that the teams run is up and down hills and high grass, for three miles, at the Percy Warner steepchase and the Shelby Park baseball parks. Practice for the event ranges from four to five miles a day, because the race requires a lot of stamina and energy.

Cross Country keeps on track!

These are the top runners.

Wrestling Pin-Ups

Wrestling had a good year in the class A division with a record of 4-2, coming in just behind North for the championship. Their overall record was 6-7.

Jim Brown had a good record of 8-3, wrestling at 107 lbs. **John Cook** wrestling at 147 lbs., also had an 8-3 record. Topping off the wrestlers was Mike Burkey with a 10-1 record. Mike wrestled at 140 lbs.

The editor, speaking for the wrestling team, would like to thank Burns for all his help. He has put a lot of long hours and traveling time into the Madison team.

Boys' Tennis Anyone?

The Boys' tennis team last year had a pretty good year, though most of the team did not have a chance to practice. **Tom Lanier** excelled as first singles, with a record of 6-5. Steve Healy and David Martin played as first doubles with a record of 5-6.

Girls' Tennis

Madison had a good girls' tennis team last year with a record of 7-6. Leading the way was Tina Hemmer playing as second singles with a 9-3 record. Next was the team of Candy Hopkins and Sheryl Carter with an 8-4 record. **Sarah Munn** and **Keta Andrews** broke even with records of 6-6.

Golf Shoots Par

The '74 golf team had the best year Madison has had in many years. Madison won the Eastern Division and the team advanced to the District Tournament in which number one man — Gary Ragar — was the medalist of the event. The whole team also went to the City Tournaments at Harpeth Hills but lost by a close score of 4-3. Madison also went to the Regional at Harpeth Hills but lost to state champions Clarksville. The overall record for the team was 11-1.

Gary Ragar had an average of 39 strokes per nine holes. Gary was also runner up in the N.I.L. Individual and MVP for the school. After school was out, Gary received a scholarship to Tennessee Tech.

As for the rest of the team, Johnny Warren averaged 39.5. Bob Sloan had a 41 average and David Cantrell, a 43 average.

This year, four Madison students attended a program devised to better their knowledge of state and local governments. Each spent a week at a state college. The boys attended Tennessee Tech and the girls Middle Tennessee State.

In addition to government-oriented activities, the boys participated in sports such as football, basketball, and track and the girls performed skits and composed songs. On the final evening of their stay, the girls attended a candlelight ceremony and were presented a pin and certificate.

Rhonda Knowles

Recipient of the Civitan Medal, the highest award presented to a senior boy, was Mike Cline. As a junior, Mike was also presented the Sewanee Award, which is similar to the Civitan Medal.

Mike's participation has yielded him many rewards. He received the science chair award in Biology and gained the school record for the high jump in track. Mike is also known for his exceptional abilities in the field of music. This, among other talents, makes Mike the best choice for the Civitan Medal.

Outstanding Seniors Receive Recognition

Rhonda Knowles was chosen as the recipient of the D.A.R. Medal. She possesses outstanding scholastic ability which is one of the qualifications for this award. She is currently a National Merit Semi-Finalist because of her high scores on the PSAT.

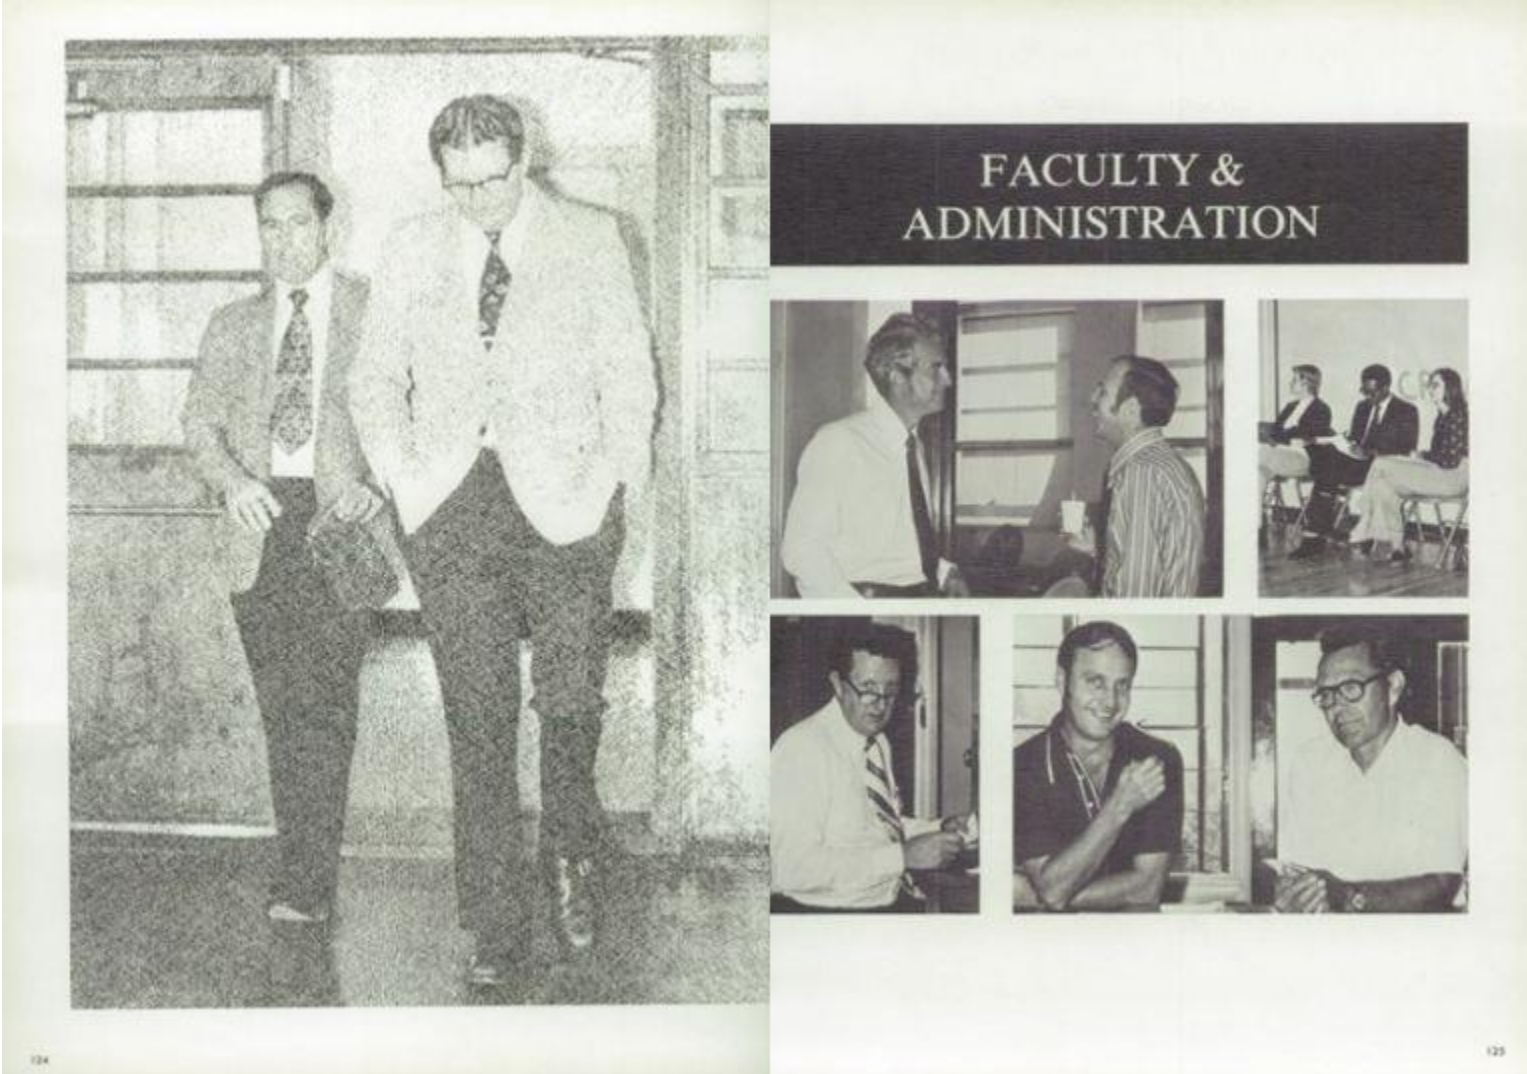

She is also vice-president of the Art Club and secretary of the National Honor Society and elected by the senior class as Most Intellectual. Due to this combination of outstanding capabilities, Rhonda was given the D.A.R. Medal.

In My Life

There are places I'll remember;
 All my life, though some have changed.
 Some forever not for better,
 Some are gone and some remain.
 And all these places have their moments,
 Lovers and friends I still can recall.
 Though I know I'll often stop and think about them;
 In my life, I love them all.

Juniors Plan for Future

We lived in a time when it was simply enough to be alive . . .
 To feel the ground beneath our feet and to hear the voice of appreciation
 It was our time.
 By living each day to the fullest we knew there had to be a tomorrow
 We laughed freely; we smiled warmly
 If we had it all to do, it would be done the same again . . .
 It was our time.

From the light bulb and candy sales, to the Junior-Senior Prom, and class rings, the Junior class has worked hard. Through all this, we have had three people who worked harder than most. They are our officers: Lisa Jackson, Secretary; President Lowell Warren, and Vice-President Mike Kay. They have worked to make us the best Junior class Madison ever had.
