## The Ram Page Staff

Producing a newspaper involves a great deal of teamwork and know-how. The members of Miss Phipps's third period journalism class coordinate their writing abilities. The skilled

members of the Ram Page staff set their own type and headings and combine their efforts to publish an outstanding school paper once each month.

The National Forensic League is an extremely active organization at Madison. By ranking first in the state they have brought honor to both the school and the community. The Madison High School chapter has to their advantage the capable leadership of Mrs. B. H. Eldridge, who holds the position of secretary coach in the nation. In order to obtain membership in the National Forensic League, one

must have earned a minimum of 25 points. Officers are also chosen according to the number of points earned. There are a variety of activities in which Forensic League members participate. Among these include the NFL District Tournament, held in April, and the Tennessee Speech and Drama League in which winners qualify for state tournaments.

## Forensic Club

Over the years, the Forensic Club has shown that now, as in the past, it is a very successful organization. The Forensic Club has always been a top contender in the overall Metro competition for the past 15 years. The school year 75-76 looks equally successful.

The Madison High School band is a very active organization. Its major project this year was a trip to Mexico which included participation in two concerts and one festival. Money for expenses was raised through bottle drives, a popcorn sale, compass sale, bean raffle, and a crafts fair. Other activities of this year's band included a performance at the Nashville Hyatt Regency and marching in the Nashville Christmas Parade at which they won first place for best music rendition.

## MHS Cheerleaders Are the Spirit

Cheerleaders have more requirements and responsibilities than are realized by most students. From election to the end of the school year, the cheerleaders are under strict policies concerning grades, reputation, character and participation.

Selection of the cheerleaders is based on the candidate's ability to perform cheers, physical fitness, attractiveness, personality, character and reputation. Candidates must also have a 2.0 grade average, be in good standing with faculty

members, and maintain a good attendance record.

Under the cheerleader contract these girls are required to attend a week of training in the summer, and practice an hour each day during the school year. They are also expected to attend each game, help with the Spring Sports rally side, and make two cheer signs for each game. At the end of the year, the cheerleaders honor all lettering students with the annual letter banquet.

The '77 football season showed an improvement for the Rams as they increased their wins by 100% over the last season. The team had been idling in a rebuilding stage for some time, but it seems this year has begun what could become a big comeback for the seniors of '77.

Defense proved to be a stronghold for the Rams this year as the opponents were held to low scores throughout the season. In each victory made by the Rams, the opposing teams remained scoreless. In defeats, the Rams were never led by more than two touchdowns.

In the game with the Glencliff Golts, Dwayne Ricketts and Kent Billings shared the glory, leading the Rams in a 19 to 0 shutout.

Kent Billings, an outstanding senior, was also selected by the Nashville Banner as All-NHL Central Division Place-Kicker.

## *These Are the Men Behind the Team*

Many people watch the football games during the season and learn to identify certain players by their numbers or their personal habits, but how many ever recognize the important people standing on the sidelines? These are the men who make the team a success or a failure. The coaches work with the team at every practice from the beginning to the end of the season so that they can exert their best efforts on the field in competition. Managers are in charge

of keeping the team warmed, footballs dry, and other important tasks. Dr. W. J. Card, as always, is on the sidelines to act in any medical care needed during the games and has been the football team's official physician for several years. Without these men, the Madison Rams' football team could not exist. Appreciation should be and is expressed for their long hours of work in making the football team possible.

## '76 Rams Are Ready

Roll over Panthers and make room for the '76 Rams. Madison's football team has worked hard this season, conditioning during the summer at football camp and after school, four days a week during the football season.

For the past few years, Madison's football varsity has left something to be desired, but, from all outlooks, 1976 should be a year to remember for football, among other

things, at MHS. On the varsity squad, several seniors of '76 have shown promising traits, including Allen Black, Donnie deMoeda, Mike Edwards, James Lowmeyer, Darrell Pardue, Barry Moada, Bill Seals, and Johnny Shields. Next season should prove to be exciting as these men begin with experience and strong backing in both offense and defense.

Madison's Boys' Varsity Basketball was not the best on the courts this season but the team worked hard to achieve recognition. Losing more games than usual, the Rams found out by mid-season that weaknesses were somewhat more serious than expected. The offensive end suffered most because two top scorers had graduated the previous year leaving far from simple places to fill. Defense was noticeably shallow because the same basic playing pattern was used almost constantly.

Even though a team is defined as a

group of people working together toward the same goal, team teams are not equally matched in skills as they usually have a star. Madison's basketball team was no exception as their star this season was Hardy Bennett. Leading the team in scoring in most games, the team captain was recognized by the Madison Optimist Club as Player of the Week (January 12-18) and given a plaque in honor of this recognition. Also, Bennett was in the lineup for N.H.L. Player of the Week given by the Nashville Tennessean.

The '75-76 Ramettes had a very successful season as the team had a minimum of losses with each of the losses in less than five points of difference. Leading the Ramettes on the forwards' end of the court were Pat Chambers, Gloria Allen, Dina Lee, and Teresa Ramsey. Guarding the ball and

keeping it back away from the scoring end were Sylvia Carter, Jill Lezarth and Silvia Carter. Several injuries and substitutions

## Ram Sandlotters Gain Success

The '75 season was supposedly a rebuilding year for the Ram baseball team because so many team members graduated in '74. However, the season was a good one with a team composed mostly of juniors, leaving the '76 team with plans for one of their best seasons ever.

Up against Hendersonville, Maplewood, and

Goodpasture, some of the toughest in competition, the Ram team came through with a strong show. With seniors Kent Billings, Ray Bradley, Jay Haversey, Frank Jones, Robert Meuser, Mike Miller, David Murray, Beaser Smith, and Tim White in the lead, the '76 Rams give Madison a year to remember.

## Lady Rams "Truck It On"

Hopes for the '76 season were high for the Girls' Track Team as the undergraduates of the '75 team were expected to shine through. Final scores of the events were unavailable at printing time of the RAM, however, several predictions were made for possible records to be achieved.

All returning record-setters from the '75 season were expected to meet or break the records they attained last year. Several were up against strong competition to break their own records including, Glenda Allen in Shot Put, Lynne Chambers in Discus, Jane Marx in Mile Run, and Jennifer Lawson in the 800 Run.

"Pam Chambers"

Jennifer Lawson set a new district record last year in the 800 Run and was expected to follow suit this year by meeting or breaking her old record. Pam Chambers, most valuable in both running and field events for '75, was also expected to meet or break past records set in the 220 yd dash, long jump, high jump, 100 yd dash, and 80 yd low hurdles, all in which she set new school records in '75. In the 80 yard low hurdles last year, Pam set new state records and tied the national records. This was quite an accomplishment and the students of Madison High should be proud to claim her as a Ramette.

## Ram Wrestlers

The MHS wrestling team pinned up a winning season this year with a 6-2 record overall. Many honors were achieved by the wrestlers in matches about the district. The Goodlettsville Invitational Match proved successful for the Rams as they brought home several honors. At the Bellows

Invitational and the District Tournaments, the Rams were equally successful as they brought home honors from both.

The stars of the '75-76 team were Ricky Gillespie, a senior, at 132 lbs., placing 2nd at Goodlettsville and 4th in the District. Tom Ross, a junior, at 145 lbs., placing 2nd at

These wrestlers have worked to achieve this record and should be commended for the excellent job they have done. ## *Golf Team Strokes for Par Excellence*

The MHS golf team has yet to thoroughly rebound after losing its '74 N.H.L. state champs to graduation, but coach James Boyd is leading a promising team. The '76 season began with a majority of newcomers who were hoping to learn and to gain experience in the sport along with participating in regular competition.

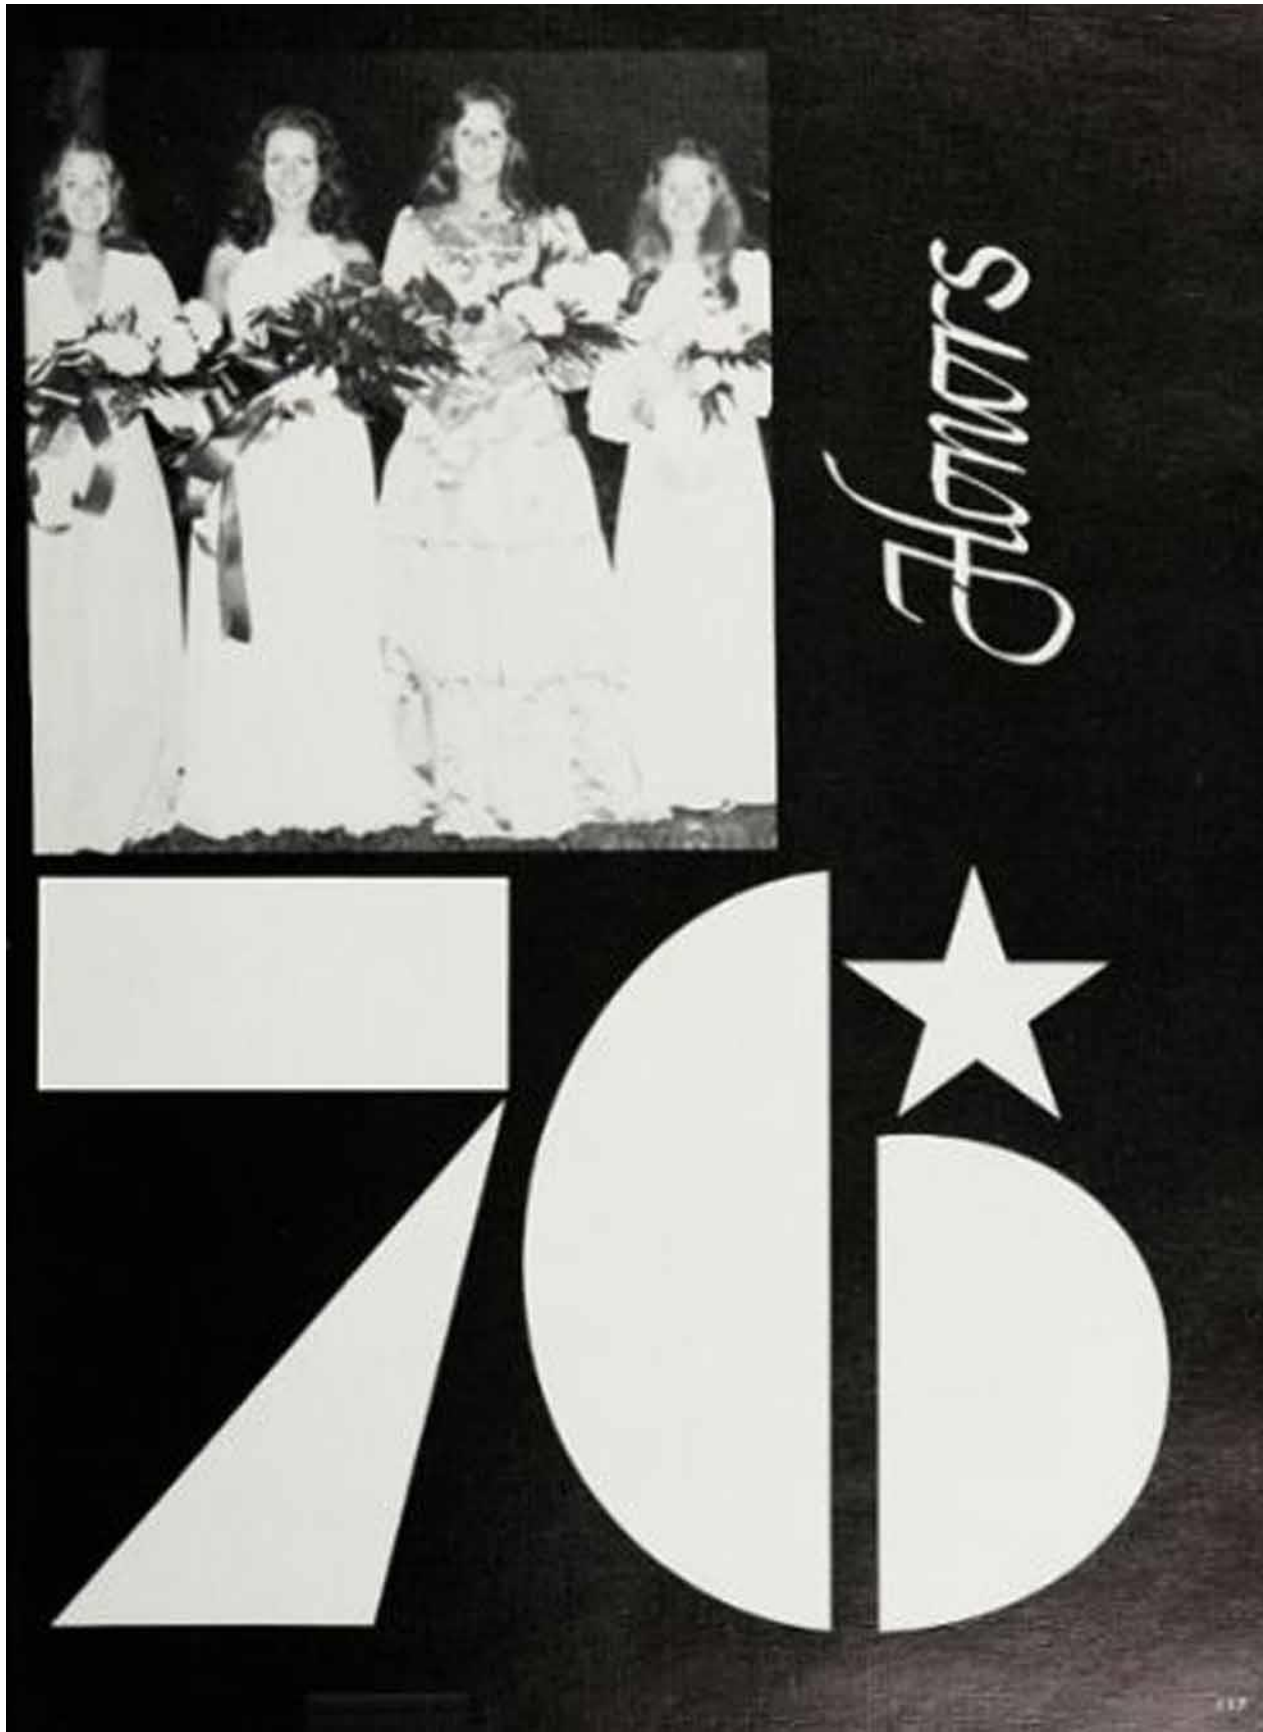

A new twist was also added as a girl, Gayle Ragan, was added to the team. Gayle, the younger sister of Gary Ragan, former MHS state champion, proved to be an asset to the team along with Tony Locke, [redacted] Dan O'Kelley, Mark Simpson, and Wade Brantlett.

Left to Right: Gayle Ragan, Dan O'Kelley, Mark Simpson, Wade Brantlett, [redacted] and Tony Locke.

## *Students Gain Government Experience*

Jeff Chismore, Lisa Van Rook, Anne Probst, [redacted]

Each summer Madison sends four students to a state college with the purpose of letting them learn more about local and state governments. The girls went to M.T.S.U. and the boys went to Tennessee Tech. They participated in government learning activities and also in sports and other fun activities.

## *Deserving Seniors Receive Awards*

### *D.A.R.*

Sherron Gwaltney was chosen by the senior class and the faculty for the D.A.R. award, based on her leadership qualities, her good citizenship, her dependability, and her service to the school.

Sherron has served on the Student Council for three years, is secretary of the senior class, is president of the Bicentennial Club, and is a member of the National Honor Society.

She was also voted Most Likely to Succeed and one of the Top Ten Beauties by the senior class.

### *Civitan*

**Randy Wilmore** was chosen by the senior class and the faculty for the Civitan award for his service to the school, his dependability, his good citizenship, and his leadership.

Randy is a member of the track and football teams, is president of the Junior Classical League, and was selected Youth of the Week by the Optimist Club last fall.

## *Juniors Keep Moving Along*

The days grow shorter, the nights grow longer,  
The headlines thicken along the way;  
And life grows sadder, but love grows stronger  
For those who walk with us day by day.

Throughout this year of 1976 the Junior class has proved a great stronghold. Planning the Junior Senior Prom, the Christmas food can drive, and generating good school spirit have been only a few of their many accomplishments. Leading the Juniors this year were three hard working class officers. They are: President Sammy Ryan, Vice-President John Stephenson, and Secretary Gene Wooten. All three have given willingly their time and efforts to make this Junior class one of the best Madison has had.
