## *Student Council Sets Goals*

Elected representatives from each homeroom make up the student council, along with the elected officers. Through the year, several activities have been set up by the student council, such as assemblies, Homecoming, and a bonfire. The major project this year was to raise \$1,800 for a new sign to be put in front of the school. Of special interest this year was the Christmas canned food drive, sponsored by Bill Boner. With competition set up between 5 other schools, Madison proved to be successful by placing in 1st place, with the number of cans collected being over 3,000.

## *The National Honor Society*

The symbol of success throughout one's high school year is membership in the National Honor Society. To be a member, a student must achieve and then maintain a 3.5 average for three consecutive semesters, immediately prior to his application for membership. Students are admitted on the basis of scholarship, leadership, service, and character, along with the faculty's approval of their qualities in the areas of integrity and service.

National Forensic League*

The National Forensic League is made up of students interested in public speaking or in careers where experience in speaking is a valuable asset. The League is an extremely active organization in Madison. It has brought honor and respect to both school and the community by their numerous awards.

The Madison High Chapter owes much of its success to their coach, Mrs. B. H. Eldridge, who holds the position of sixteenth coach in the nation.

In order to obtain membership in the NFL, one must have earned a minimum of 25 points. Officers are chosen according to the number of points earned.

## *Auxiliary Corps Adds Excitement and Enthusiasm*

The members of the Auxiliary Corps add a great deal to the entertaining performances of the band. Under the leadership of Field Commander, Shari Green, the band was awarded many high honors. This year the captains of the Flag Corps are Sally Hodges and Amy McMahon, while Gail Douglas served as Rifle Corps captain. These girls, along with the assistance of their instructors and directors, should be greatly commended for their efforts.

The Madison High School Band had to keep on their toes this year learning new music and routines. Their hard work paid off, however, when the contest began and MHS kept coming up on top.

At the Columbia Invitational Marching Contest, MHS placed 2nd in the Red Class. The Flag and Rifle corps placed 1st in the small class and 6th overall. To top it all off, Shari Green, Field Commander, placed 1st in the small and large division.

An "A" for inspection, Flag and Rifle corps, and a "B" for marching, sums up MTSBOA at M.T.S.U.

MHS swept 1st place at the Nashville Christmas Parade for best musical band and tied for best marching band.

The band also enjoyed marching in the Hillbilly Day Parade and the Nashville Historic Parade.

(Chorus Director) Mr. Scandrick.

## *The Madison High Chorus*

The Madison High Chorus has worked extremely hard this year to provide many worthwhile activities. Of great interest was the Christmas program, which the student body and parents attended.

The chorus also performs at the graduation services, which proves always to be quite enriching.

## *Spirit Boosters*

Each year a select group of young ladies are chosen for this job of being a cheerleader. The responsibility that goes along with this job is more than just what meets the eyes.

They are required during the summer to attend a camp for a week of training and practice and an hour each day during the school year.

The selection of the cheerleaders is based upon the can-

didates' ability to perform cheers, personality, physical fitness, attractiveness, character, and reputation. They must maintain a 2.0 average, be in good standing with the faculty, and maintain a good attendance.

Behind all their beauty and grace, cheerleaders uphold the character of Madison High School.

## *A Season To Remember . . .*

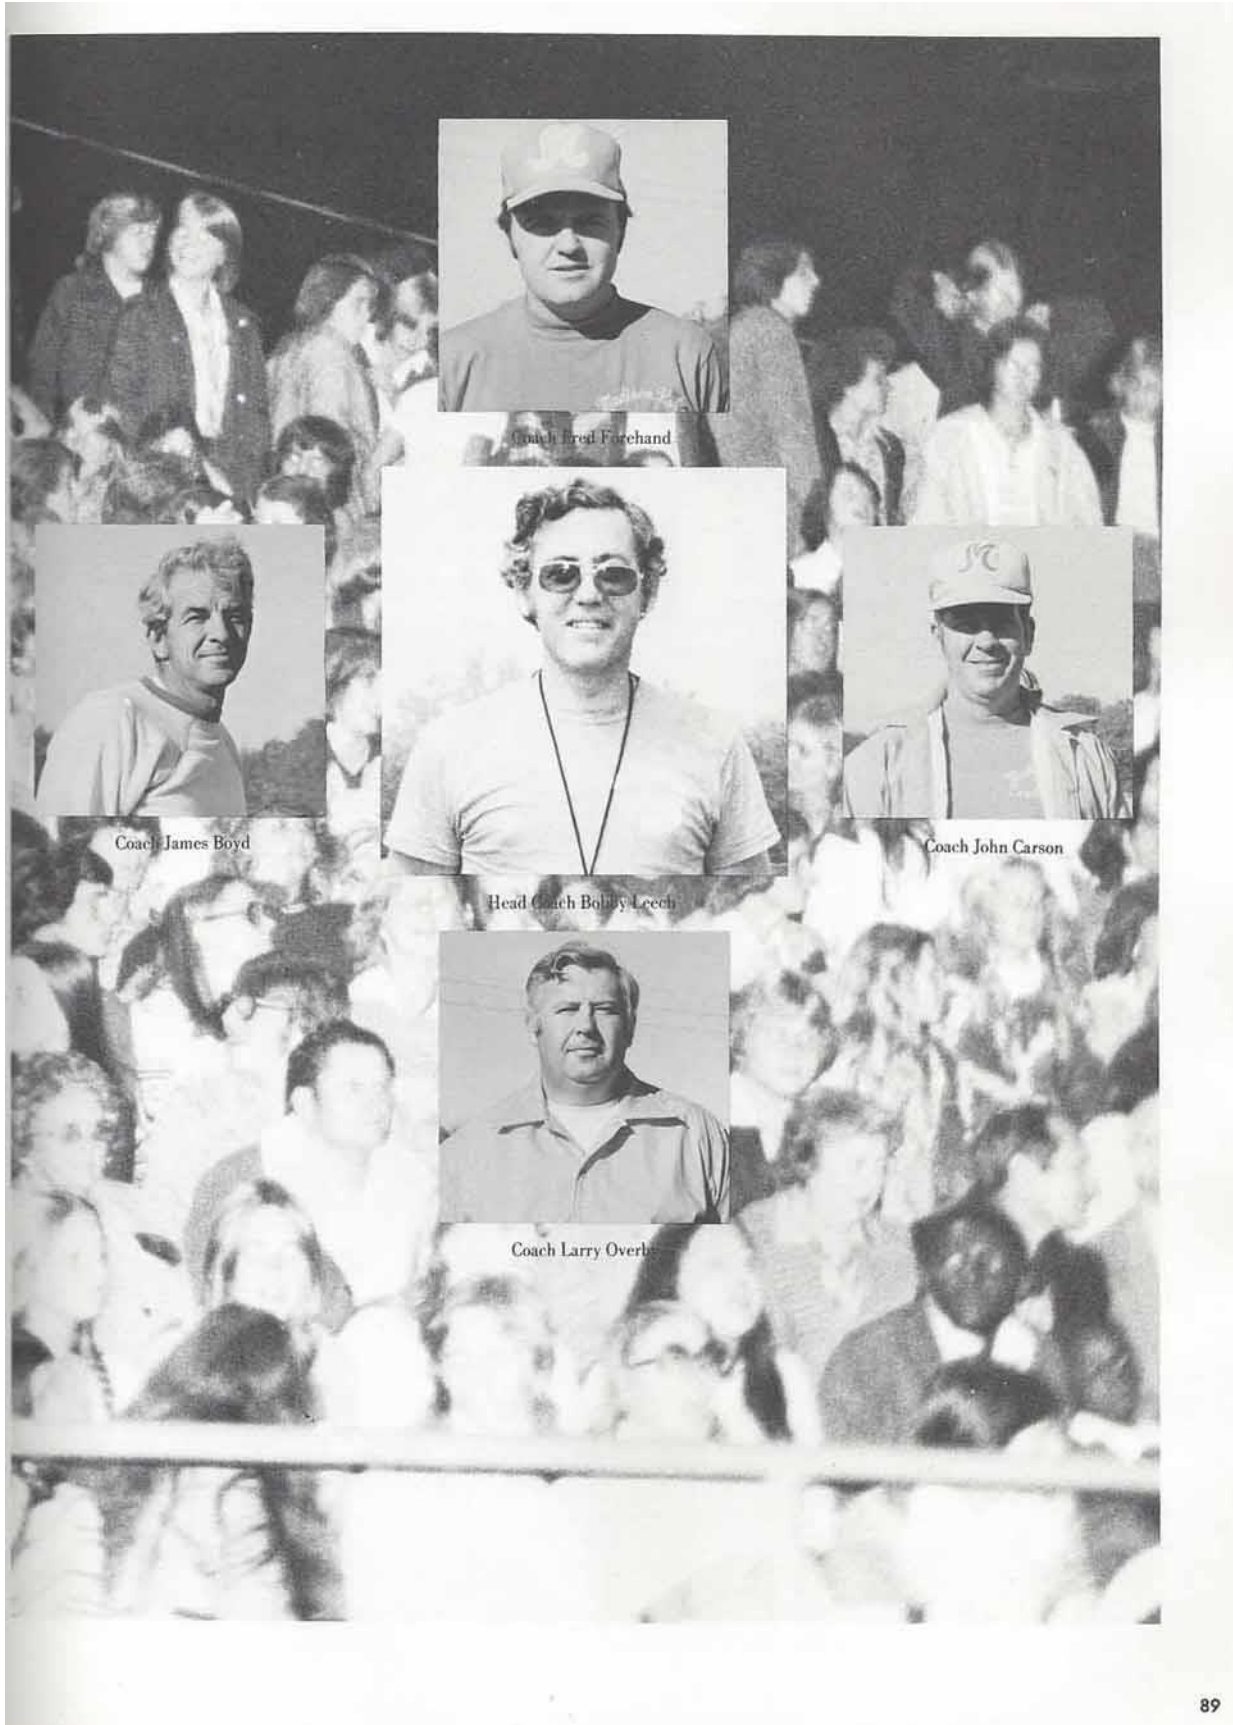

This year's football team came out on top with a 7-4 record for the entire season. This great feat was only accomplished through hard, unending work.

The football season started off with a bang by our team's defeat of Dupont, the choice to win the NIL'S Central Division, by 22-0.

Barry Monda, Allen Black, Johnny Shelby and Dwayne Ricketts were chosen to the All Central Divisions Team. Monda was also named to the Banner's Central Division, Co-Player of the year and to the Tennessean's All Nashville Team.

Madison had not participated in a bowl game since the early 1970's, but with our outstanding coaches and players doing their best our team was invited to play in a Metro Bowl Game. Though the Rams went down in defeat their superb playing ability and sportsmanship will be remembered *Forever!*

## *Shine On Through . . .*

This year's accomplishments were only achieved by having a team effort from the boys who joined the glorious Rams' basketball team. There were many victories along with their defeats, but the team showed their colors, bright and shiny, throughout the entire season.

The games that were played by the Great Rams were played with great skill, and much agility. The team won many games and those that the team could not mark up as victories were only lost by a small margin of points.

Coach Collier, sharing all his knowledge of basketball, and the many returning seniors of the team made the season a very memorable one.

## *Preview of the Coming Season*

Getting a look at the future is something that every one wants to do. With the boys B-team basketball a taste of what it would be like is felt, and it sure is looking good!

## *Tremendous Spirit*

This year's girls basketball team fought with tremendous effort. Though their season was not one of many wins they kept the spirit up throughout the entire year.

There were only two seniors who remained on the team throughout the season, but there were many sophomores and juniors who played with great stamina. Because of the team's lack of experience they were not victorious in every event, but they were a dreaded team by their opponents.

We are all hoping for a great girls' team next year because there will be many returning players to lead the team to glory!

## *Our Victorious Rams*

The 1976 season proved to be an exciting one for the Madison High School Baseball team. The Rams defeated the District Leader, East High School, three times in the second half of the season and captured the 22nd District Championship.

David Murray, one of Madison's outstanding baseball players, was named to the All-Metro team by both the Nashville Banner and The Tennessean. Murray also won the NIL batting championship with better than a 500 batting average.

Beaver Smith, the head pitcher, was a key factor in a late season comeback which enabled the Rams to capture the district championship.

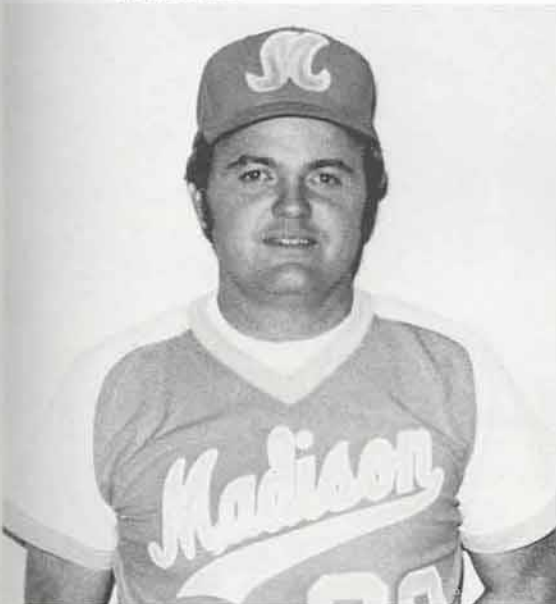

All of Madison has "high hopes" for the 1977 baseball team as they work their way to win the championship again!

### *Newcomers to Sports*

1976-77 was the first year for MHS to have a volleyball team in a regular season. In the years before it was under Metro rules but this year it was under TSSAA rules.

Next year the team will be ready and willing to go all the way to victory.

### *Crosscountry Team Keeps Truckin' on . . .*

This year's crosscountry team did very well in their season. Gale Hale, one of the girls on the team, set a school record of 10:58 for 1½ miles.

There were only 3 seniors on the team, so there will be many returnees for next year's victorious team.

*First Row:* Brian Murphy, Darrell Crutcher, John Doe, Bobby Bumbalough, Alan Barnes, Chuck Turner, John Garner, Donnie Drayton, Timmy Rich, Vance Thompson. *Second Row:* Dwayne Ricketts, Mike Mead, Terry Pardue, Danny Simpson, Danny Hartman, Jay Kemper, Tim Dickerson, Mark Sisk, Gary Duke, Joe Warren.

## *Boys Track*

The Madison High boys' track team did very well this year. With many seniors on the team they had much experience to lead them to victory.

Senior standouts included 2-miler Jay Kemper and

sprinter Mark Sisk in running events, and Mike Mead in Field Events. Discus thrower Danny Hartman, distance-runner Terry Pardue and sprinter Dwayne Ricketts also performed well.

Tony Eden won 1st Place in the Nashville Christian

Tournament; Robert Vasquez won 1st Place in the Bellevue Invitational; and John Cook won 1st Place in the Goodlettsville Invitational Tournament.

This season was Madison's most successful in the history of Madison High School.

## *Girls' Tennis*

The boys' and girls' tennis team this year really came out on top. With Coach Collier as the boys' coach and Coach Lucas as the girls' coach, the teams were directed well.

With only six of the members of the girls' tennis team

and four members of the boys' being seniors, there will be many experienced players coming back for the 1978 season to lead the MHS Spirit to victory.

*(Left to Right) Row 1:* Suzanne Dillard, Dawn Dyer, Armanda Costanza, Sherry Lockett, Cindy Thomason, Anita Seals. *Row 2:* Cindy Greer, Mandy Kinle, Judy Heady, Kathy Freeland, Rochelle Terrell, Donna Cramer, Anne Campbell.

## *Golf Team Strikes Again*

• • •

The 1976 Golf team finished 4th in their district last year which was very good for them. The regular season begins April 4 this year and their prospects are very good as they are hoping to finish in the top 1/3 of their district.

Butch O'Kelley and Pat Goad the two returning seniors from last year's team, did very well with O'Kelley finishing the regular season with 8 wins and only 3 losses.

There were 9 new candidates for the golf team this year, so it was a considerably young team, but they are sure to come out on top.

It is all over and  
it seems that we were together  
only a short while.  
Momentarily, we walked  
down the same road hand-in-hand,  
a road that was often times confusing.

We shared, we cared, we cried,  
and we rejoiced with each other.  
We created within ourselves  
a certain unity,  
a unity which enabled us  
to plunge into our existence  
finding frustrations, happiness, discoveries,  
harmony and hope for a better tomorrow.

The time has come now  
for each of us to go our separate ways  
for each of us to find a place  
in this far advancing society,  
to become a satisfied individual  
in our own world.

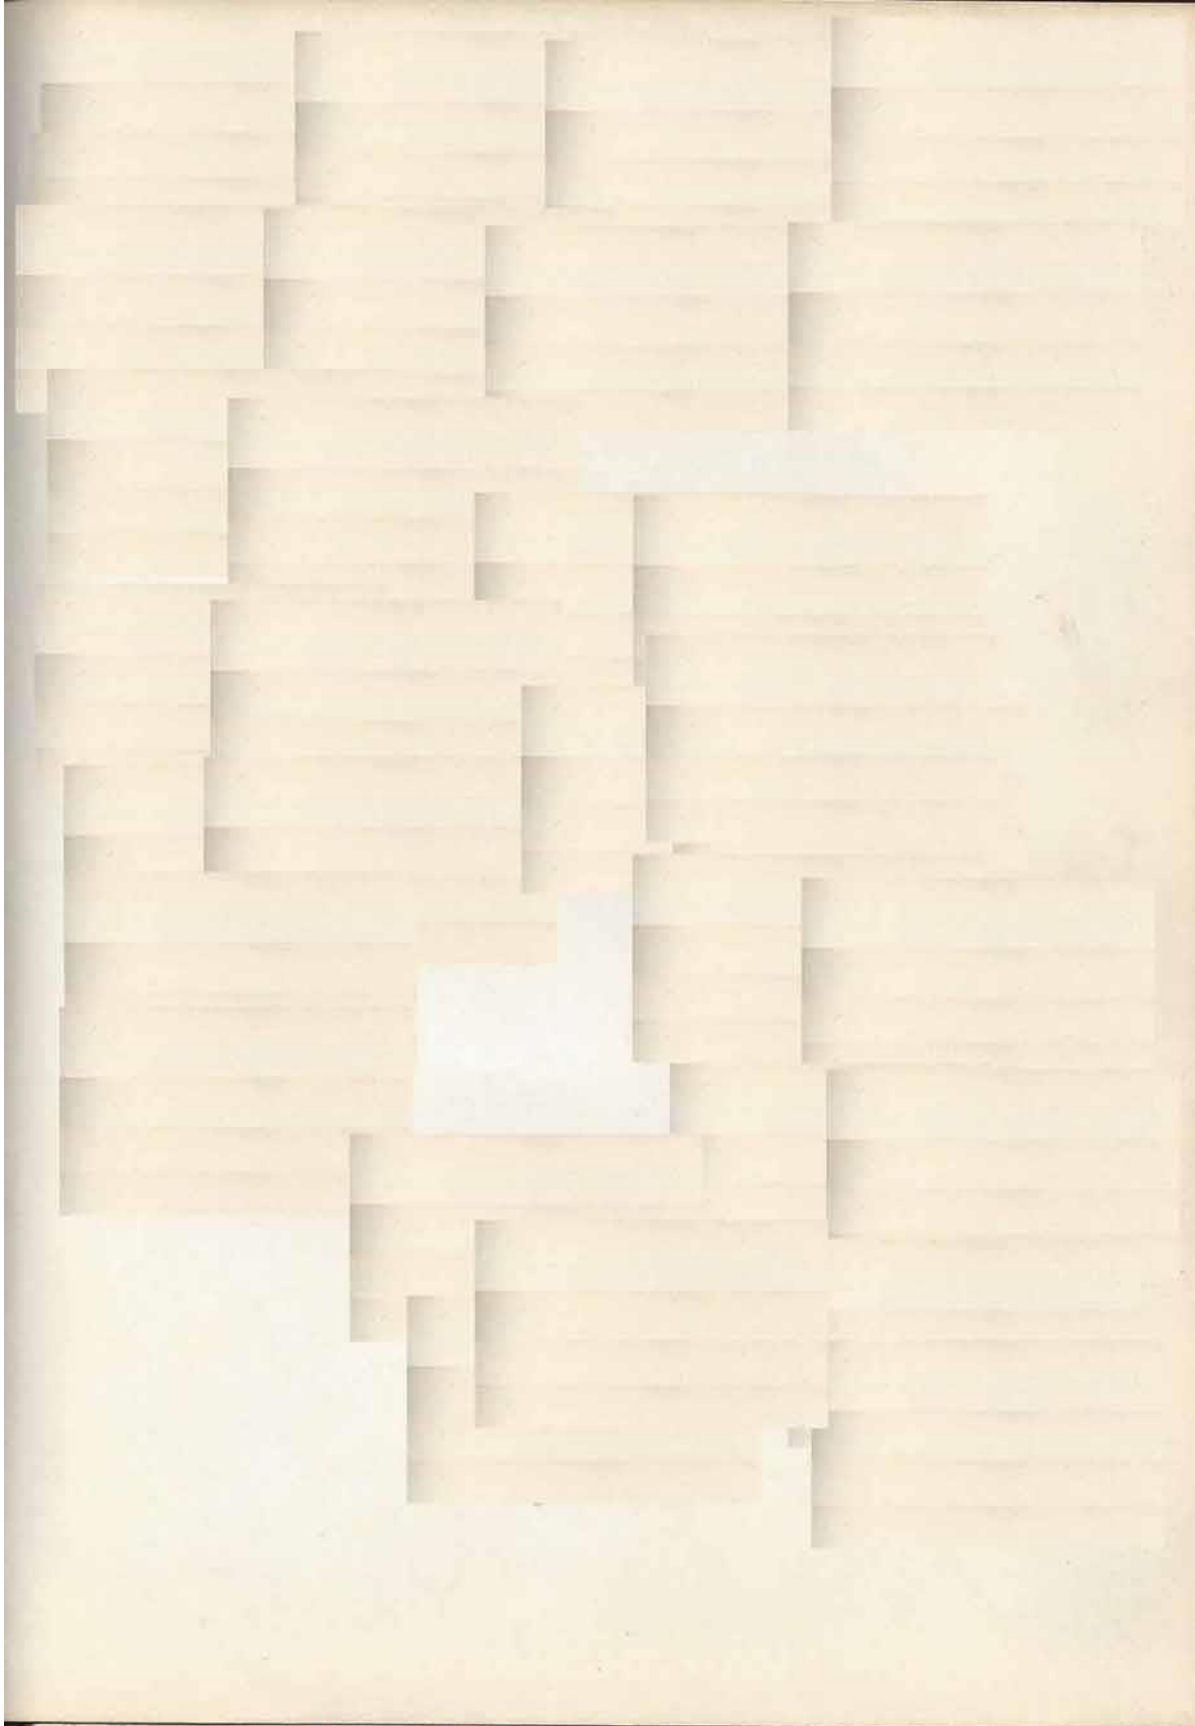

Leaving behind us  
precious memories and good times,  
times that we thought would never end.  
Looking back and looking forward  
at the same time,  
we're thinking of the awakening new dawn,  
and the closing of another day.

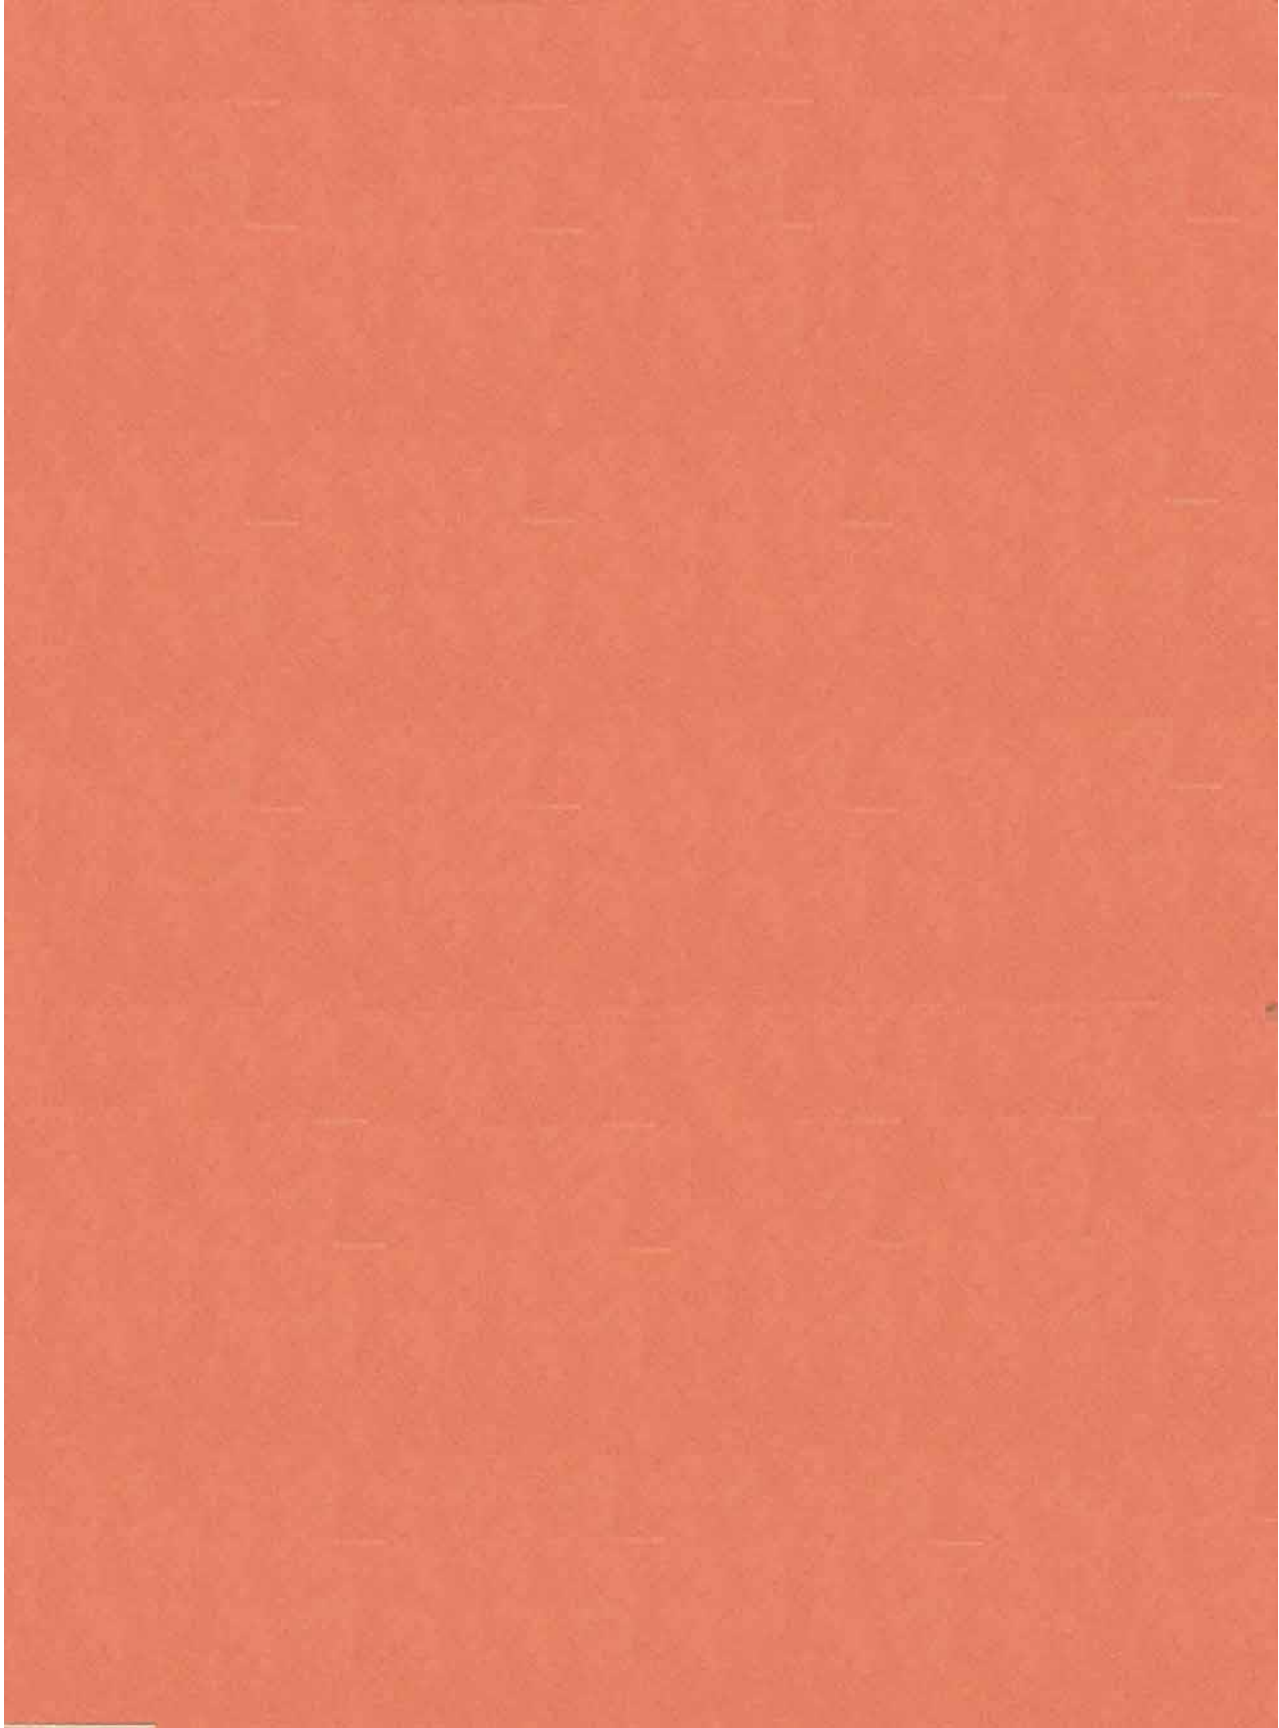

We are old, yet young.  
In some ways we project maturity,  
in others we do not.  
Time is the essence of our existence,  
and now is our time.

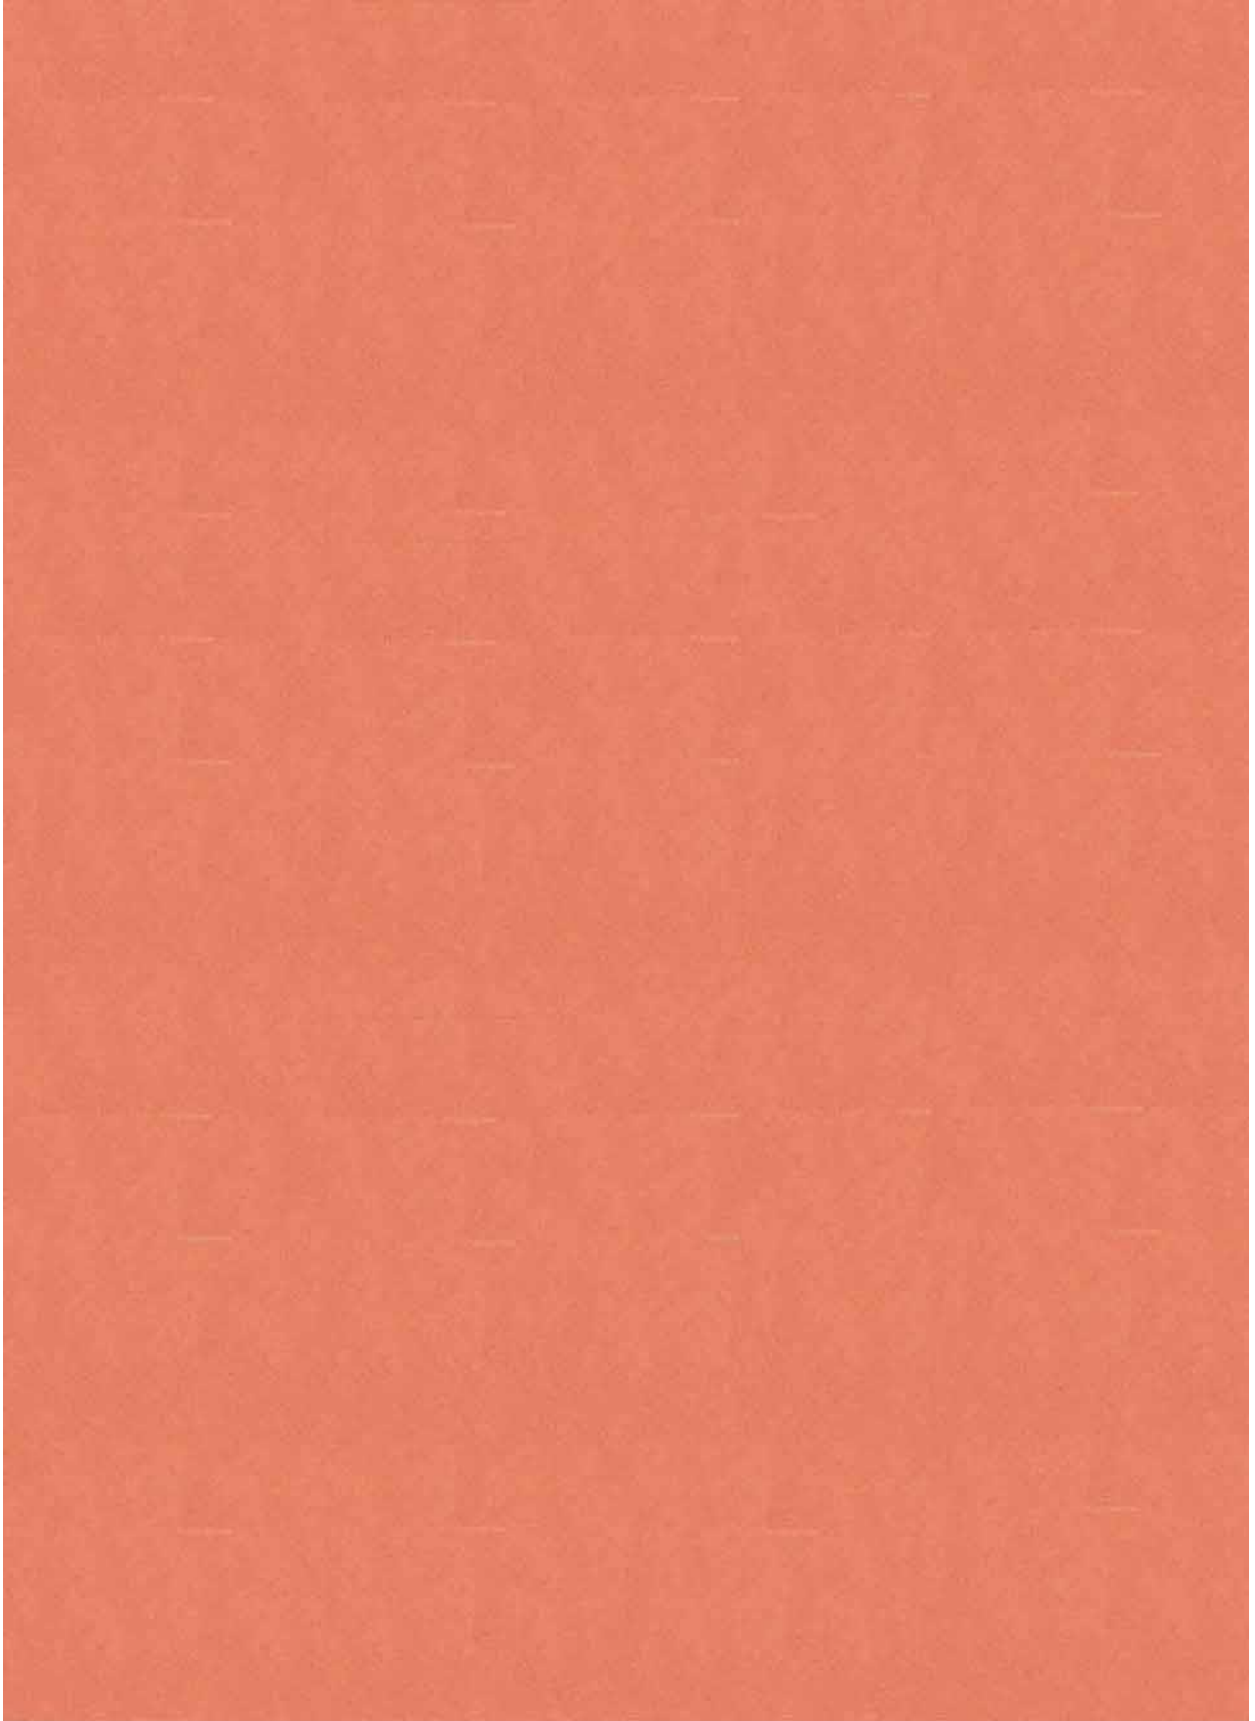

We remember dreams of yesterday,  
and have visions of hope for tomorrow.

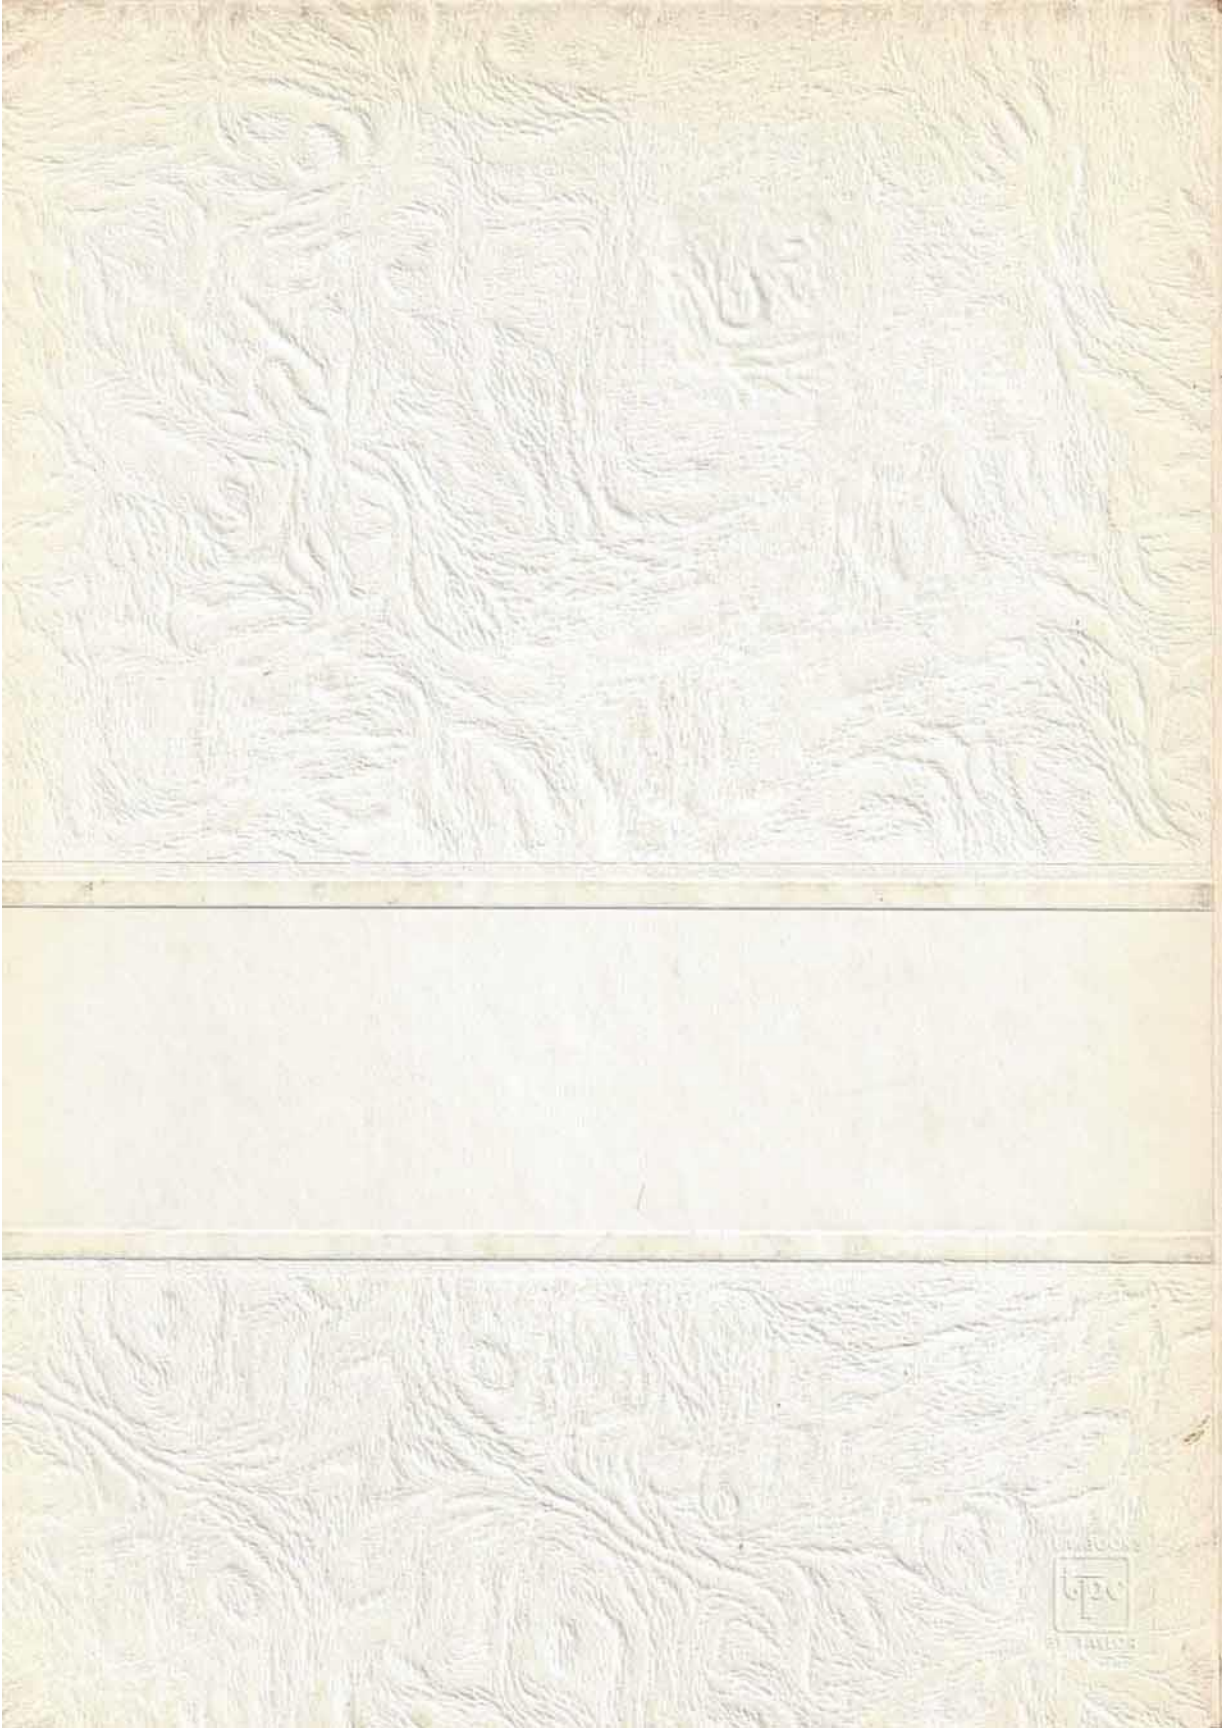

Shall we never forget the past  
and our acquaintances at Madison High.  
Let us strive to appreciate our education  
and use the time we have left conservatively.  
Thank you, God, that You gave us  
a school that helped to mold our lives  
into much better ones.
