*Marching Rams of 1979-80*

What the band lacked in numbers this year was made up by enthusiasm from all band members.

After a week of hard work at band camp, the band got off to a good start at the first ball game and followed it up with a superior performance at the MTSBOA marching contest October 4, where they received A's in every category. The band also attended The Music City Invitational October 13, at DuPont High School and placed second in its class.

## *Leech's Rams Gain 9-2 Season*

Another 9-2 season gave Coach Leech's Rams their third bowl appearance in his four years at M.H.S. in 1979.

Although Coach Leech chose not to face district opponents Maplewood, Stratford, and McGavock, thereby disqualifying the Rams for a state playoff berth, the graduation-depleted ball club matured quickly and easily dumped neighborhood rival Goodlettsville in the opener. Never letting up, they then swept past some admittedly weaker opponents before shutting out Hendersonville in a key mid-season contest. A romp over Dupont to spoil the Bulldog's homecoming qualified the Rams for a post-season invitation. Then a Homecoming victory over Hillwood came sandwiched between losses to culminate the regular season at 8-2.

A trip to Hartsville for the Tobacco Bowl matchup with Cumberland county was next. Almost two thousand fans supported them as the Rams eked out a 21-19 conquest of the East Tennessee Jets to round out the season.

Terry Stanfill, one of the top ground-gainers in Nashville, and Robbie Roberson were standouts on the team along with Alfred Wilson, Steve Green, Danny Clay, and Sal Shields.

Looking forward to 1980, more starters return than did in '79. For this reason the Rams are again expected to be competitive, although a lack of size should prevent them from reaching Maplewood's class.

Managers: David Fike, Blake Chancey, Tommy Melton, and Tookie McCloud.

## Rams Roll to 21-6 Season

Coach Collier's boys' basketball team more than lived up to expectations in '79-80. Blitzing to eight wins in their first eight starts, the Rams then dropped five of their next eight contests, to East, Whites Creek, Maplewood, McGavock, and Maplewood again.

After that they became more consistent, whipping Hume-Fogg twice, Whites Creek and McGavock enroute to a regular season 21-6 record, including a third-place 9-5 district mark. All this in District 12-AAA, in all likelihood the toughest district in the state.

The senior-dominated squad was led by 6'6" Jim Ed Garrett and 6'4" center Alvin Ingle, who were listed eighth and tenth, respectively, among high school prospects in Tennessee. This was according to a poll of college recruiters conducted by the Knoxville News-Sentinel. Both seniors were named first team All-NIL by the Tennessean and the Banner, after exceeding the 1000 point barrier in career scoring.

Returning for '80-81 will be semi regulars Tony Donald, Tommy White, and Charlie Clay plus many backups from the B-team. Still, next year should be one for rebuilding.

## 1980 Rebuilding Year for Girls

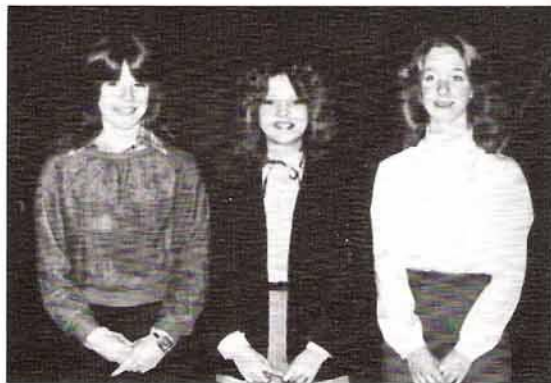

The Ramettes' season was actually two games shorter than the Rams' until tournament time, but it certainly seemed a lot longer.

After winning two of their first three contests, over Nashville University and Antioch, it was eleven games later before the Ramettes could manage another win. Hume-Fogg was the victim here, just as it was again the Devilettes more than a month later. The season ended at 4-21 and the Ramettes were in seventh place in the league.

With the team's top three scorers, Sonya Farley, Kris Deep, and Ruby Ingle, returning for 1980-81, Coach Sparkman looks forward to next year and hopeful improvements.

## '80 Rams Defend District Title

Coach Forehand and Coach Thompson

The Madison High School baseball team was even more successful than the more widely-acclaimed football and basketball squads.

Led by Coach Fred Forehand and seniors who had suffered through two losing seasons prior to '79, the Rams rebounded from opening losses to Maplewood and Stratford to edge McGavock, 2-1, at Two Rivers. From there M.H.S. rallied to take eight of the remaining nine games and clinch a second-place berth in the District 12 tournament with a 9-3 league record.

Victories over East, Maplewood, and Stratford (twice) gave the Rams the district Championship and pitted them against the Antioch Bears in the first round of the state tourney. A 5-0 loss put an end to the season, but Madison returned several lettermen, including four starters (Kenny Hamilton, Alan Honea, Alvin Ingle, Terry Stanfill) for the '80 campaign.

(First Row) Ernest Wright, Kevin Blain, Robbie Woodall, Bill Sanders. (Second Row) Davy Glover, Ronnie Stephens, David Johnson, Robert Vasquez, Tommy Douglas, Steve Littrell. (Third Row) Alan Honea, Kenny Hamilton, David Bush, Alvin Ingle, Norman Deep, Darry Yarbo.

## Softball Emerges 3rd in State

Softball became a T.S.S.A.A. sanctioned sport in 1980 and Madison wasted no time in taking advantage of it. Coach Collier molded a group of individually talented players into a ball club which emerged the victor in its first 17 games.

The Ramettes breezed to an undefeated district season and tourney championship before advancing to the state tournament. Overton and Smyrna fell before Memphis Millington was able to stop MHS in the semi-finals.

Kris Deep was the team's ace pitcher, finishing with a record of 13-1, including three no-hitters. She was voted N.I.L. Most Valuable Player by area coaches. Linda Brown batted .368 and led the team in RBI's. Other standouts included '80 returnees Vicky Chambers, Tammy Cline, Norma Gentry, and Tammy Kinnard.

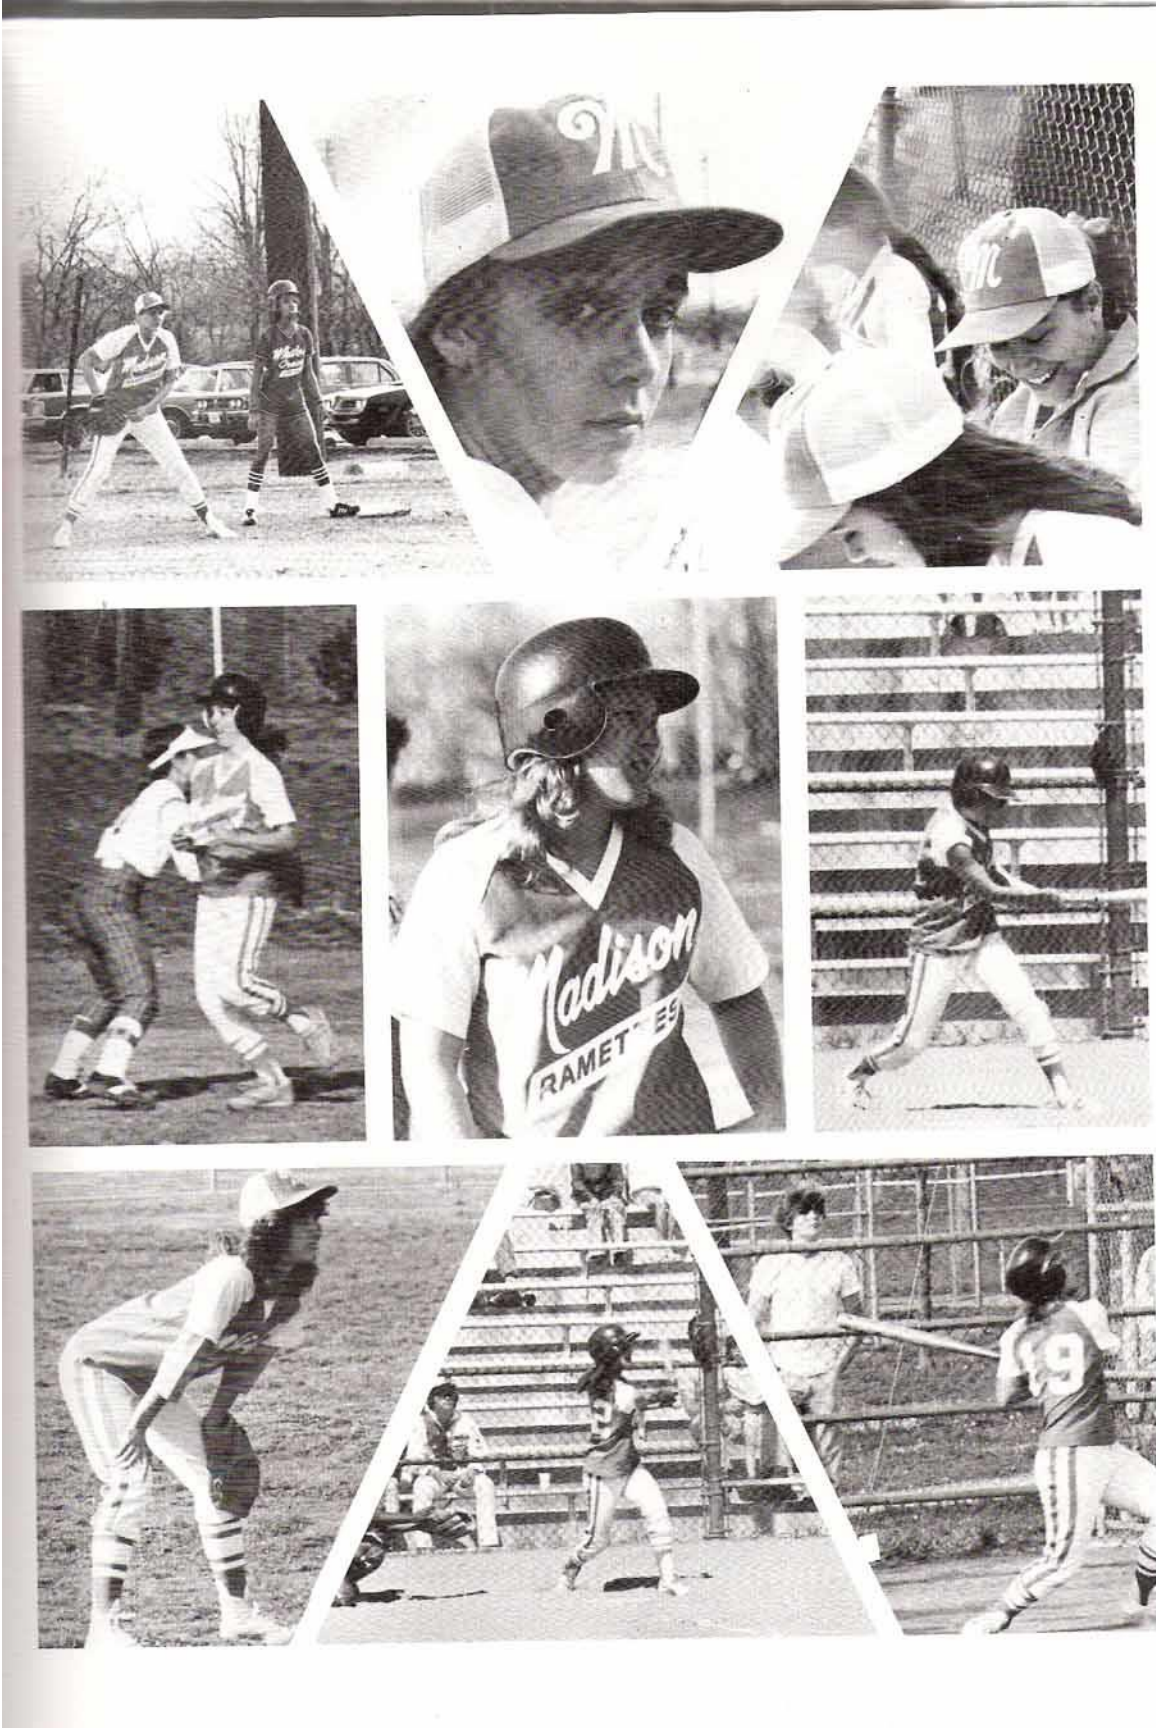

Having lost only three of the '79 squad, the pressure is on the Ramettes as potential state championship contenders in 1980.

Our final year is approached with memories of past experiences. Together we have shared the thrill of entering high school, the meekness of being a sophomore, and the chance to meet new friends. Moving on to bigger and better things we began our junior year with the winning homecoming float, we emerged victorious in the canned food drive, and presented the Seniors of 1979 with a successful prom. The peak of all years,

1979-80, has delivered happiness and friendships into our lives. We just wish to hold the present close and to continue to share our lives together. Our skit, the float, class rivalry, spirit, and the togetherness have prevailed among us. Parting seems so distant, but is all too near. Our lives touching one another is support enough to continue on our way. Now we need to go forth and forever keep reaching the top.

The halls will cease their action, the desks will feel empty, and the cafeteria will no longer hear the laughter from our fun. The year may be gone, but the faces, events, memories, and love will remain and affect the rest of our lives. Madison High, we do love you dearly for all the wisdom, joy, and honor you have given us. Madison has united our lives together as one and we must continue and remain in the closeness beyond our high school years. And Madison, may your name and love go on before us into life's great hall of fame.

After the first year of confusion the members of the Sophomore Class found their way as Juniors. They experienced many exciting moments, such as performing the Halloween skit for the student body and participating in the canned food drive to help the needy.

The prom committee, consisting of members of the junior class, worked diligently on presenting the 1979-80 prom to the Senior Class. The most inspiring moment for the Juniors was the ordering and receiving of the class rings.

Only as they look back do they realize the magnitude of the achievement the Juniors have experienced.

What did I do this time?

## 1980 Sophomore Class

The sophomores found themselves in a totally new environment this year. In contrast to junior high life, they were given added responsibilities as well as added freedom. They noticed more spirit and involvement among the upperclassmen than in the lower grades. Most of them enjoyed the changes as they themselves look forward to being known as "Seniors."

## *Farewell*

Like a sunset, the 1979-80 school year is fading into the past. As this school year ends, it is stored in our memories under many different headings. As sophomores, the year may go under the category of things such as "My first year of High School," "My First Date," "Julius Caesar" etc. Juniors may file it under titles such as "Our Rings," "The Prom," or "History." Many emotions are felt by the seniors as they prepare to leave M.H.S. Titles such as "My Last Year," "Senior Keys," "Superlatives," and "MacBeth" may be used a lot. Whatever we remember the year by, good or bad, I think everyone can say that it was successful; friends were made, lessons learned, and good times lived. This year's annual staff has tried to make the annual something everyone will enjoy. We have worked hard and sincerely hope that it will be special to everyone. It is a tool to help you remember this school year. It is what you have made it.

The annual staff would like to Thank Mr. Byrom for all of his help and patience. This annual would not be possible without him. Sophomores, we hope your first year at M.H.S. was great and we hope the years will continue to grow better as you learn to love M.H.S. as your alma mater. The middle class is sometimes hardest. You are not the "babies" yet you don't really have any more privileges or rights than sophomores, but at least there will be no more strange teachers or lost ways. Rings are shining, American History is now history, and only one more year of English is required. Seniors, there is nothing anyone can say that hasn't been through your mind several times already. The only life, school life, you have ever known is coming to an end. Your "future" is here. Many friends will part and many miles will be put between them, but friendships will survive even though new ones are made. The long-dreaded term papers have been written. Seniors keys are displayed proudly as "senioritis" is at its peak. As you say good bye to M.H.S., its teachers, its fun, its work, you say hello to a whole new world. Congratulations, Seniors, and Good Luck.
